### Cal State LA anthropology professor receives CSU's Faculty Innovation and Leadership Award

**Organization:** Cal State LA

**Location:** Los Angeles, CA

**Posted:** Aug 25, 2020

[- View details](#)

James Brady, an anthropology professor at Cal State LA, has received the prestigious Faculty Innovation and Leadership Award for his remarkable mentorship of students. Brady is one of only 25 faculty members in the California State University (CSU) system to receive the award, which recognizes faculty leaders who have demonstrated extraordinary leadership in advancing student success. "I am deeply appreciative of the CSU honoring me with the Faculty Innovation and Leadership Award because it recognizes my efforts that are at the heart of what I have done as a faculty member for the last 20 plus years," said Brady.
