PREPARING THE ANNUAL SECURITY REPORT (ASR)

This report is part of an ongoing effort to promote safety and security at Cal State Los Angeles (Cal State LA) and to comply with the Jeanne Clery Disclosure of Campus Security Policy, Fire Safety Report and Campus Crime Statistics Act, generally referred to as the Clery Act. This act requires all postsecondary institutions participating in the Higher Education Act of 1965 (HEA) Title IV student financial assistance programs to disclose safety and security related policy statements and crime statistics and distribute it to all current students and employees. In addition, the act requires schools to inform prospective students and employees about the availability of the report. At Cal State LA, the ASR is prepared by the Clery Director and University Police Department (UPD) in cooperation with key personnel from Student Conduct, Human Resources Management, Housing Services, Title IX Office, and Student Health Services, and may include other areas/offices with significant responsibility to student and campus activities.

The Clery Act requires each institution to:

- Collect, classify and count crime reports and crime statistics;
- Issue campus alerts;
- Publish an annual security report;
- Submit crime statistics to the U.S. Department of Education;
- Maintain a daily crime log;
- Disclose missing student notification procedures that pertain to students residing in student housing facilities;
- Disclose fire safety information related to student housing facilities;
- Maintain a fire log open to public inspection;
- Publish an annual fire safety report containing policy statements and fire statistics associated with each on-campus student housing facility; and
- Submit fire statistics to the U.S. Department of Education each fall.

In order to comply with the federal law, the UPD collects crime statistics from the previous three (3) calendar years concerning Clery Act reportable crimes that occurred at addresses affiliated with Cal State LA, as well as crime statistics for incidents that occurred on campus, non-campus property and on public property within and immediately adjacent to school-owned buildings and property. Crime statistics are compiled based on reported incidents to University Police, Campus Security Authorities (CSA) and local and state law enforcement agencies.

The UPD conducts outreach and establishes collaborative relationships with local and state law enforcement agencies to encourage statistical Clery reporting by those agencies. Local police agencies are provided the addresses of locations that are contiguous to, affiliated with, or adjacent to the property of Cal State LA. Locations include any building or property that is either owned or controlled by an officially recognized student organization.

Unfounded Crimes

Main Campus:

2019 - There were 0 unfounded crimes.

2020 - There were 2 unfounded crimes

2021 - There were 2 unfounded crimes

The Alhambra:

Hate Crimes

Main Campus: 2019-2021 – There were no reported hate crimes.

The Alhambra: 2019-2021 – There were no reported hate crimes.

A Hate Crime is a criminal offense that manifests evidence that the victim was intentionally selected because of the perpetrator's bias against the victim. Hate crimes includes any offense in the following group: murder and non-negligent manslaughter, sexual assault including rape, fondling, incest and statutory rape, robbery, aggravated assault, burglary, motor vehicle theft, arson, larceny-theft, simple assault, intimidation, destruction/damage/vandalism of property.

Bias is a preformed negative opinion or attitude toward a group of persons based on their race, gender, gender identity, religion, disability, sexual orientation, ethnicity, or national origin.

Hate crime reporting is considered for all Clery geography including on-campus, residential facilities, non-campus buildings or property, and public property.

PROCEDURES FOR STUDENTS AND OTHERS TO REPORT CRIMINAL ACTIONS OR OTHER EMERGENCIES ON CAMPUS

The University encourages accurate and prompt reporting of all crimes to UPD or appropriate law enforcement agencies. Anyone who is the victim or witness to any crime or emergency situation, or who becomes aware of any safety issues on the campus is encouraged to promptly contact UPD, which is available 24/7 to protect and render aid to the University community.

TO REPORT A CRIMINAL, MEDICAL, OR FIRE EMERGENCY:

- Call 9-1-1 immediately.
 - From a campus phone, the call will connect to UPD.
 - From an off-campus phone, the caller will be routed to the law enforcement agency with jurisdiction over that location.
 - From a cellular phone, callers may be connected to the California Highway Patrol who will then bridge the connection to the appropriate law enforcement agency.
- Use Campus Emergency Phones ("Blue Light," non-dial outdoor phones): connects to University Police; located throughout campus, parking lots and structures.
- Call UPD: 323-343-3700; on-campus extension 3-3700.

FIRE EMERGENCY-AFTER CALLING 9-1-1:

- Sound any available fire alarms.
 - Calmly take personal belongings and evacuate building using stairwell.
 - Check in with Building Evacuation Coordinators at designated Evacuation Assembly area.
 - If assistance is needed, go to the nearest stairwell; ask someone to notify emergency personnel of your location.

REPORTING OFFENSES TO OTHER CAL STATE LA OFFICES / CAMPUS SECURITY AUTHORITIES

While the University encourages its campus community to report all criminal incidents to law enforcement, in some cases a victim may choose not to file a police report but may be inclined to report the incident to someone else at the University.

A CSA is defined as:

- (i) A campus police department or a campus security department of an institution.
- (ii) Any individual or individuals who have responsibility for campus security but who do not constitute a campus police department or a campus security department under paragraph (i) of this definition, such as an individual who is responsible for monitoring entrance into institutional property.
- (iii) Any individual or organization specified in an institution's statement of campus security policy as an individual or organization to which students and employees should report criminal offenses.
- (iv) An official of an institution who has significant responsibility for student and campus activities, including, but not limited to, student housing, student discipline, and campus judicial proceedings. If such an official is a pastoral or professional counselor as defined below, the official is not considered a campus security authority when acting as a pastoral or professional counselor.

Individuals may be designated as CSAs if their official job responsibilities involve significant interaction with student and/or campus activities; serve as formal or unofficial mentors to students; serve as a member in an office or of a committee to whom students are instructed or informed to report or discuss crimes, allegations of crimes and other troubling situations; or have oversight for disciplinary procedures.

CSAs include, but are not limited to:

- Vice President for Student Life;
- Assistant Dean of Student Conduct, Deputy Title IX Coordinator;
- Equity and Diversity Specialist;
- Faculty Advisors for Student Organizations;
- Athletic Directors and Team Coaches;
- Housing Director(s) and Resident Assistants / Resident Directors;
- Associated Students, Inc., Officers and Representatives;
- Center for Student Involvement Directors and Coordinators; and,
- Director and Coordinators of the Cross-Cultural Centers.

These University personnel will complete a Campus Security Authorities Crime & Incident Report Form and will encourage the crime victim(s) and/or witness(es) to report the incident to University Police. However, if a reporting person requests anonymity, the request will be honored to the extent permitted by law, and the

Form will be completed without including any information that would personally identify the victim without his/her consent. Data collected will only be used to get a more accurate number of crimes on campus and will be used by UPD to promote crime awareness and enhance campus safety.

REPORTING CRIMES OR EMERGENCIES AT THE ALHAMBRA

Although the University does not have a formal policy, the University encourages accurate and prompt reporting of all crimes at The Alhambra to the Alhambra Police Department. Anyone who is the victim or witness to any crime or emergency situation, or who becomes aware of safety issues at The Alhambra is encouraged to promptly contact the Alhambra Police Department which is available 24/7 to protect and render aid.

The Alhambra does not have UPD personnel on campus. Reports or calls for service should be made directly to their jurisdictional area (Alhambra Police Department). The Alhambra Police Department may be contacted by dialing 626-570-5151 or dialing 9-1-1. The Alhambra Police Department is located at 211 S 1st Street, Alhambra, CA 91801.

VOLUNTARY AND CONFIDENTIAL REPORTING

To report a crime on a confidential basis, call the UPD Victim/Witness Assistance line at 323-343-3756. Requests for confidentiality will be honored to the extent permitted by law and data collected will only be used to get a more accurate number of crimes on campus and be used to promote crime awareness and enhance campus safety.

All confidential exempt sources are encouraged to provide victims of all options and support resources for reporting crimes on campus for administrative or criminal investigation and action.

Note: all publicly available record keeping will be maintained without the inclusion of personally identifiable information about the victim.

CRIME OF VIOLENCE DISCLOSURES

The institution will, upon written request, disclose to the alleged victim of a crime of violence or a non-forcible sex offense, the report on the results of any disciplinary proceeding conducted by the institution against a student who is the alleged perpetrator of such a crime or offense. If the alleged victim is deceased as a result of such crime or offense, the next of kin of such a victim shall be treated as the alleged victim.

CALIFORNIA EDUCATION CODE SECTION 67380(a)(6)(A)

Pursuant to California Education Code Section 67380(a)(6)(A), Campus Security Authorities (CSAs) who receive reports from employees or students of a Part I violent crime, sexual assault or hate crime that occurred in an on or non-campus location as defined by the Clery Act, may not disclose to UPD or local law enforcement agencies the names of the victims or the alleged assailant, unless the victim consents to disclosing their name after being informed of their right to have their personally identifying information withheld. The name of the alleged assailant may be disclosed, however, if all of the following conditions are met:

- The alleged assailant represents a serious or ongoing threat to the safety of students, employees, or the institution; and
- The immediate assistance of the local law enforcement agency is necessary to contact or detain the alleged assailant.

TIMELY WARNING POLICY

This policy describes the procedures that will be used to provide members of the community with information to aid in preventing them from becoming victims of crimes posing a serious or ongoing threat to the Campus communities. It is intended to provide faculty, staff, and students with timely information about Clery reportable crimes occurring within the defined Clery Geography of their Campuses, and to comply with the Timely Warning requirements of the Jeanne Clery Act.

As required by the Clery Act, CSU Campuses will keep their Campus communities informed by providing a timely warning when appropriate.

- Upon receipt of a Campus Security Authority (CSA) report of a Clery crime on Clery Geography, a Timely Warning analysis shall be completed and documented by the Clery Director. The Clery Director shall have authority to delegate this responsibility as appropriate. It is not necessary to complete and document a Timely Warning analysis for referrals to disciplinary action.
- If it is determined that the report includes a Clery crime on Clery Geography, the Clery Director and Chief of Police (or management designee) will confer to analyze the known pertinent facts to determine whether they constitute a serious or ongoing threat to the Campus community. The unavailability of the Clery Director shall not unduly delay the issuance of a Timely Warning.
- If a CSA report includes 1) a Clery crime 2) on Clery Geography and 3) a discernible serious or ongoing threat, a timely warning as described below shall be issued expeditiously.
- In the absence of any of these three elements, no timely warning will be issued.
- The Chief of Police (or the management designee) shall have ultimate authority and responsibility for determining whether to issue a Timely Warning.

Each reported incident must be analyzed on a case-by-case basis. All known factors shall be considered in the case-by-case analysis to determine whether a timely warning should be issued. No single factor should govern the decision regarding the issuance of a timely warning. Campuses are prohibited from circumventing a case-by-case analysis by issuing a blanket rule that timely warnings will be issued for all reports of any given Clery reportable crime. Requests from an outside law enforcement agency to refrain from issuing a timely warning is insufficient grounds on its own for not issuing or delaying the issuing of a timely warning, unless the Chief of Police concurs that by issuing a timely warning, an identified risk can be articulated that would compromise the law enforcement efforts of the outside agency investigating the crime to gather evidence and/or apprehend suspect(s).

The case-by-case analysis will involve reviewing relevant factors including, but not limited to, the following, if known:

- The timing of the report: shortly after the occurrence of the crime vs. days or weeks after the occurrence of the crime, i.e., a "cold report"
- Physical injury to the victim
- Use of weapons
- Forced entry used and/or tools used in commission of the crime
- A suspect arrested or incapacitated by injury
- A suspect that is identified or otherwise can be located by law enforcement
- A suspect that is out of the area
- A victim who fears for their safety from the suspect
- A clear modus operandi and/or pre-planning indicated
- Multiple suspect(s) involved
- A pattern of similar crimes established
- The possible risk of compromising law enforcement efforts, such as to gather evidence and/or

apprehend suspect(s), if a warning was issued

Additional Considerations

The Clery Director (or management designee) shall notify the Campus president, as soon as practicable, that a timely warning will be or has been issued.

The Chief of Police (or management designee) is responsible for collaborating with surrounding law enforcement agencies to encourage them to share information with University Police Department (UPD) about crimes reported to local law enforcement that occur in Clery Geography.

Nothing in this policy precludes Campuses from maintaining a Campus policy about informing, re-publicizing and/or sharing with the Campus community crimes or other informational notices, (e.g., traffic advisories, events, prevention information) the Campus deems may be of interest to the Campus community. Such a policy is separate and distinct from the Timely Warning Policy. Such notices must differ in appearance or be distributed in a manner that assures that members of the community understand such notices are different from a timely warning notification required by the Clery Act; members of the Campus community should not be misled to believe such notices are timely warnings.

Contents of a Timely Warning

When a timely warning is issued it shall be entitled "Timely Warning Crime Bulletin" and contain the following:

- A statement that reads, "This Timely Warning Bulletin is being issued in compliance with the Jeanne Clery Act and the purpose is to provide preventative information to the Campus community to aid members from becoming the victim of a similar crime."
- Identify the Clery reportable crime that occurred (i.e., rape, burglary, motor vehicle theft, arson, etc.).
- The date, time, and location the crime occurred.
- The date the Timely Warning Bulletin is issued.
- Description of the suspect when deemed appropriate, and if there is sufficient detail. Only include a description of the suspect when the descriptors provided by the reporting party could reasonably lead to conclusive identification of the perpetrator(s).
- At least three preventative tips or points of information specifically related to the circumstances of the crime which occurred that could help others from becoming the victim of a similar crime.
- The phone number of UPD and a statement encouraging community members to report all information about crimes to UPD.
- If appropriate, the phone number of support services.

The Timely Warning shall not include, under any circumstances, the name of the victim, or information so specific (i.e., specific address or dorm room number or floor) that would or likely could identify the victim of the crimes of Sexual Violence, Rape, Dating Violence, Domestic Violence, or Stalking. Timely Warning Bulletins should use gender-inclusive and culturally appropriate language and avoid victim blaming and bias language.

Methods of Distribution

Timely warnings will be distributed as quickly as possible in a manner that will likely reach the entire Campus community. Distribution methods vary from Campus to Campus and include, but are not limited to, any of the following:

- All employee and student email distribution
- University website
- Public area video display monitors
- Hard copies posted on Campus building entrance doors
- Press Release

This list is not intended to be exhaustive or intended to prioritize the method of distribution. The Chief of Police will confer with the Clery Director (or management designee), if available, to determine the most appropriate method(s) to distribute a Timely Warning. In the absence of the Clery Director (or management designee), the Chief of Police will determine the appropriate method of distribution. Campuses are required to maintain a list of the methods of distribution for timely warnings and include said list in the Campus's Annual Security Report.

EMERGENCY NOTIFICATION POLICY

This policy describes the procedures that will be used to immediately notify the Campus community upon the confirmation of a significant emergency or dangerous situation involving an immediate threat to the health or safety of students and/or employees occurring on the Campus, as required by the Clery Act.

Any member of the Campus community with information believed to constitute a significant emergency or a dangerous situation that poses an imminent or immediate threat shall report the information to University Police Department (UPD) and/or by calling "911." Examples include, but are not limited to, the following types of incidents:

- Severe weather warning (e.g., flash flooding, tsunami, hurricane, etc.)
- Environmental emergency within an on-campus facility (e.g., hazardous chemical spill, fire, earthquake, building collapse)
- Criminal activity with an imminent threat to Campus community (e.g., active shooter, murder, fleeing suspect with a weapon)
- Public Health Emergency (e.g., measles outbreak, swine flu outbreak, etc.)

Once UPD has received the report, the Chief of Police (or management designee) will, without delay and taking into account the safety of the community, confer with any appropriate public official (e.g., fire chief, health department) and any Campus officials responsible for managing the on-campus emergency, if available, to confirm both: 1) a legitimate emergency or dangerous situation exists impacting on-Campus geography; and 2) the emergency or dangerous situation poses an immediate or imminent threat to members of the on-campus community. This confirmation process may include, but is not limited to, visual observation, officer investigation, the assistance of key Campus administrators, local or Campus first responders, and/or official government reporting through agencies such as the National Weather Service.

If both of the above factors are not met, no emergency notification is required. If it is determined that both of the above factors are met, then an emergency notification as described below shall be issued. The Chief of Police (or management designee) will confer with the Clery Director, if available, to prepare the content of the notification and determine which members of the Campus community are threatened and need to be notified. The content of the message will be developed based on a careful but swift analysis of the most critical facts.

Once the notification is prepared, the Chief of Police and/or the Clery Director (or their management designees) will, without delay and taking into account the safety of the community, transmit the emergency notification unless doing so would delay the ability to mitigate and/or contain the emergency, including the

ability to provide immediate, life saving measures. If an emergency notification is issued, a timely warning shall not be issued for the same incident.

Contents of the Emergency Notification

The emergency notification shall contain the following information:

- A statement as to what the emergency or dangerous situation is, in specific terms (e.g., chemical spill, active shooter, building fire)
- A statement providing direction as to what actions the receiver of the message should take to ensure their own safety
- A statement as to where or when additional information may be obtained

The Chief of Police and/or Clery Director (or management designees) will provide updates to the emergency notification with pertinent updates or direction to persons for their safety when new information becomes available. Updates will be provided in regular intervals until the emergency has been mitigated or no longer poses an imminent threat, e.g., fire is out, and building has re-opened.

Methods of Distribution

Emergency Notifications will be distributed as quickly as possible in a manner that will likely reach the segment(s) of the on-campus community threatened by the emergency. Segmentation will be considered by the Chief of Police (or management designee) by evaluating which persons are likely to be at risk based on the circumstances at the time and notifying those persons. Segmentation should not be considered if making this determination would delay issuing the emergency notification. The Chief will determine if notification to the larger community is appropriate. Distribution methods, including distribution to the larger community, vary from Campus to Campus and depending on the nature of the emergency, may include:

- A Campus mass notification system, including but not limited to phone, Campus email, or text messaging. Systems should provide currently enrolled students, faculty and staff the ability to adjust their subscription preferences to select multiple contact methods from text messages, emails and phone calls, or if desired, to 'opt out' of the service and not receive any notifications
- Audio/visual message boards
- Audible alarms/sirens
- Campus public address systems
- In person or door-to-door notifications in a building or residence halls
- Local media
- Social media
- Other means appropriate under the circumstances, which campuses shall disclose in their ASRs as applicable.

Testing and Evacuation System

Testing of the Emergency Notification System and evacuation will be done at least once annually. The Tests may be announced or unannounced. Tests must be scheduled, contain drills, exercises and appropriate follow-through activities, and be designed for assessment and evaluations of emergency plans and capabilities. However, the campus emergency response and evacuation procedures will be publicized in conjunction with at least one test per calendar year. Each Test will be documented to include a description of the exercise, the date of the Test, the start and end times of the Test, and whether the Test was

announced or unannounced. The California State University Emergency Management policy describes these Tests and defines responsibility for their completion. A copy of the documentation will be provided to the Clery Director.

The University will issue Cal State LA Safety Advisories to provide information regarding critical situations that do not pose an immediate threat to the life, health or safety of the campus community. These can include water main ruptures, poor air quality and law enforcement incidents that do not pose an immediate threat to life, health or safety. These messages will be clearly labeled with "Cal State LA Safety Advisory."

SECURITY OF AND ACCESS TO CAMPUS FACILITIES, AND SECURITY CONSIDERATIONS FOR THE MAINTENANCE OF CAMPUS FACILITIES

ACCESS TO UNIVERSITY FACILITIES

Campus Building

Campus facilities are maintained to ensure public safety. Many events held on campus are open to the public, including those at the bookstore, library, and food court. Access to academic and administrative facilities on campus is generally limited to students, employees, and visitors for the purpose of study, work, teaching, and other University business.

Student Housing

It is a violation of University policy to gain unauthorized entry, make unauthorized use of, or misuse any University property. Entering a housing apartment or bedroom in the Residence Halls to which a student has not been assigned, and without permission, constitutes trespassing. Public areas located in all community centers or common areas within the apartment or Residence Hall are for the use of the licensees and their guests only. No one may sleep or stay overnight in housing public and common areas. Housing & Residence Life must approve organized functions in public areas in advance.

BUILDING SECURITY CHECKS

Campus Buildings

UPD operates a student-based program, Eagle Patrol, which is responsible for conducting building security checks and securing the majority of the campus buildings during the evening hours. These buildings are secured starting at 10 p.m., Monday thru Thursday, and 5 p.m. on Fridays and Saturdays. These buildings are closed Sundays except where access authorization has been established in advance. The exception to these closures is the Open Access Lab (OAL), a 24 hour/7 day a week computer lab located in Salazar Hall room 191.

Student Housing

It is the responsibility of each student housing resident of the apartment to ensure that his/her bedroom door and windows are locked and secured when they are not present or when they are sleeping. Furthermore, it is the responsibility of all residents to ensure that the sliding glass doors, front door and windows in the common area spaces are locked and secured prior to leaving the apartment or while sleeping. Apartment doors are not to be left unlocked to accommodate residents who lose keys, do not carry keys, or to allow access to individuals who are not residents thereof. For reasons of security, no public area exit door is to be propped open at any time or left unlocked after scheduled building operating hours. Eagle Patrol or a Police Officer will conduct routine checks of the housing facility.

SECURITY OF AND ACCESS TO THE ALHAMBRA

Although the University does not have a formal policy, the University strives to maintain security and safety at any property owned or controlled by the University. The following information is provided in an effort to assist students and visitors at The Alhambra.

During business hours, The Alhambra is open to the community. During non-business hours, access to the facility is granted via an after-hours access list. Access to classrooms and administrative areas are generally limited to students and employees for the purpose of study, work, teaching and other University business. Access to these areas is granted via proximity cards. These areas are maintained to ensure public safety. Students and employees are encouraged to report safety related facilities issues to the Cal State LA Department of Public Safety at 323-343-3700.

SYSTEMWIDE LAW ENFORCEMENT POLICY, LAW ENFORCEMENT AUTHORITY

Persons employed and compensated as members of a California State University police department, when so appointed and duly sworn, are peace officers. However, such peace officers shall not exercise their powers or authority¹ except (a) at the headquarters or upon any campus of the California State University and in an area within one mile of the exterior boundaries of each campus or the headquarters, and in or about other grounds or properties owned, operated, controlled, or administered by the California State University, or by trustees or the state on behalf of the California State University, and (b) as provided in Section 830.2 of the Penal Code.

The arrest authority outside the jurisdiction of the CSU Police Department includes (Penal Code § 830.2(c); Penal Code § 836):

- a. When the officer has probable cause to believe the person committed a felony.
- b. When the officer has probable cause to believe the person has committed a misdemeanor in the presence of the officer and the officer reasonably believes there is immediate danger to person or property or of escape.
- c. When the officer has probable cause to believe the person has committed a misdemeanor for which an arrest is authorized even if not committed in the presence of the officer such as certain domestic violence offenses and there is immediate danger to person or property or of escape or the arrest is mandated by statute.
- d. When authorized by a cross jurisdictional agreement with the jurisdiction in which the arrest is made.
- e. In compliance with an arrest warrant.

On duty arrests will not generally be made outside the jurisdiction of this department except in cases of hot or fresh pursuit, while following up on crimes committed within the State, or while assisting another agency.

On duty officers who discover criminal activity outside the jurisdiction of the State should when circumstances permit, consider contacting the agency having primary jurisdiction before attempting an arrest.

California State University encourages accurate and prompt reporting of crime. All members of the Campus community are encouraged to promptly contact the UPD and/or other appropriate police agencies when they have been the victim of, or have witnessed criminal actions, including when the victim of crime elects to or is unable to make such a report.

¹ Including the authority to make arrests

All offenses committed on the Cal State LA main campus are investigated by UPD with the exception of the following crimes: homicides; crimes involving great bodily injury likely to result in death (as determined by UPD); crimes that require the response of specialized resources (as determined by UPD); and, other major crimes, upon the request of UPD. These crimes will be investigated by the Los Angeles Police Department, as per a Memorandum of Agreement (MOA). Other exceptions will exist where operational necessity requires that the Los Angeles Police Department conduct the preliminary and follow-up investigation, those exceptions will be determined by mutual agreement. UPD will assist the Los Angeles Police Department by responding to calls for service generated from within one mile of University property for crimes in progress and will take immediate, appropriate action to terminate the crime and/or attempt to apprehend the suspect(s) when the police resources are available on the campus, the Los Angeles Police Department will remain responsible to handle calls for service within the boundaries of the City of Los Angeles off of the University property.

All offenses committed at The Alhambra are investigated by the Alhambra Police Department as The Alhambra does not have UPD personnel on campus. However, UPD cooperates fully with federal, state and local law enforcement agencies and will liaison with these agencies to provide mutual assistance as requested.

Cal State LA UPD is currently working on a Memorandum of Understanding (MOU) with the Alhambra Police Department that will designate responsibility for providing law enforcement services at The Alhambra, which is located within jurisdiction of the Alhambra Police Department. Exceptions however will exist where operational necessity may require that UPD conduct preliminary and follow-up investigations, those exceptions will be determined by mutual agreement. UPD will assist as necessary, but the Alhambra Police Department will remain responsible to handle calls for service at this location.

WORKING RELATIONSHIP WITH OTHER LAW ENFORCEMENT AGENCIES

In cases involving on-campus and off-campus jurisdictions, or when the resources of another agency can be used to facilitate the resolution of an investigation, the UPD cooperates fully with federal, state and local law enforcement agencies. UPD maintains a close working relationship with law enforcement agencies in the surrounding community, including Alhambra, Los Angeles, and Monterey Park Police Departments, as well as the L.A. County Sheriff's Department and the California Highway Patrol. In addition, the UPD communicates with these agencies, through various means, including Mutual-Aid meetings and email communication, regarding situations that may warrant an emergency response by UPD.

ACCURATE AND PROMPT REPORTING OF ALL CRIMES

The University encourages accurate and prompt reporting of all crimes to UPD and/or the appropriate law enforcement agencies to include when the victim elects to or is unable to make a report.

All reported incidents will be investigated by UPD in order to make an assessment of the threat potential that will in turn dictate the need and manner of issuance of a Timely Warning-Crime alert notification. Prompt reporting also allows for the collection of criminal statistics for inclusion in this report.

SECURITY AWARENESS AND CRIME PREVENTION PROGRAMS

CAMPUS WATCH PROGRAM (CWP)

This campus-based, proactive policing program is provided by UPD to develop and enhance its public outreach efforts and to merge its police services with community programs to strengthen community partnerships. It emphasizes fire/life safety, security screening and review, and crime prevention. One or more buildings on campus are assigned to the sergeants, who contact building coordinators twice a month

and serve as that area's primary police contact.

EAGLE PATROL—ESCORT SERVICE

The UPD student-based program offers a personal safety escort service for students, faculty, staff and visitors, 24 hours a day, 7 days a week. We look forward to providing this service to you. Please call 323-343-3700 for more information.

EMERGENCY MESSAGES

When messages are received that are considered critical in nature, UPD personnel will attempt to notify the involved parties. Requests for this service are limited to "extreme emergencies."

Tip: Always provide your family, spouse, or significant other with a copy of your class schedule to help locate you in the event of an emergency.

FIRST AID

University police officers are available 7-days a week, 24-hours a day, to respond to any emergency health problem. For assistance with an emergency health problem, dial 9-1-1 or use emergency phones located throughout the campus.

Tip: Be sure to carry identification with you at all times in addition to wearing any medical alert bracelet you may require.

LIGHTING AND EMERGENCY TELEPHONE SURVEYS

Lighting surveys are conducted quarterly, and telephone surveys are conducted monthly by the UPD to ensure that equipment is in working order. If equipment is found to be non-operational, a repair request is given to the responsible department. The University makes every effort to promote safety. Particular attention is paid to the design of landscaping, grounds keeping and exterior lighting. Facilities Services and Environmental Health and Safety Office also conduct regular safety inspections.

EMERGENCY PREPAREDNESS AND EVACUATION INFORMATION

Each year Cal State LA conducts campuswide emergency preparedness and evacuation drills, including a test of our emergency notification system, to enhance emergency preparedness for the entire campus community. The Cal State LA Emergency Preparedness program is responsible for ensuring the Cal State LA campus and community are prepared to respond to, and recover from, any emergency or disaster. The program consists of the following components:

- The Multi-hazard Emergency Plan (EOP)
- The Business Continuity Plan (BCP)
- The Pandemic Business Continuity Plan (PBCP)
- The Emergency Action Plan (EAP)
- The Emergency Operations Center (EOC)
- The Cal State LA CERT Team
- Emergency Preparedness & Response Equipment and Supplies
- Emergency Preparedness & Response Training, Drills, and Exercises

This information will be publicized annually to the campus in conjunction with the annual Great California ShakeOut emergency preparedness and evacuation drill.

If building alarms are activated, or when police order a building evacuated, take your valuables and walk quickly to the nearest marked exit and proceed to the pre-designated assembly area for the building. A list of building evacuation assembly areas as well as the emergency preparedness and evacuation drill program components listed above can be found online by visiting the Cal State LA Emergency Preparedness webpage, which can be accessed at <https://www.calstatela.edu/police/emergency-preparedness>.

SECURITY PROCEDURES AND PRACTICES AT THE ALHAMBRA

Emergency and evacuation protocol as well as services available to students are discussed during orientation and on the first week of classes.

Employees receive continuous training as part of the University's commitment to promote safety and security. UPD and the office of Risk Management and Environmental Health and Safety (RM/EHS) are areas primarily responsible for conducting campus wide training on preparation, response and recovery to critical incidents or those incidents which may pose a serious threat to the campus community. Trainings and/or workshops are also offered to students. For information on these services, you may contact RM/EHS at 323-343-3527 or 323-343-3531 or you can visit their website at <https://www.calstatela.edu/ehs>.

CRIME PREVENTION PROGRAMS

The UPD offers programs and services to the entire campus community that can help you reduce the risk of becoming victimized. UPD personnel facilitate programs for students and employees, parents, faculty, new employees, student organizations, and community organizations.

Contact the Crime Prevention Office at 323-343-6290 for more information.

RAPE AGGRESSION DEFENSE SYSTEMS (R.A.D.)

UPD offers R.A.D., a safety education program that consists of realistic self-defense tactics and techniques that can help reduce your chances of being victimized. This comprehensive, women-only course begins with awareness, prevention, risk reduction and avoidance, while progressing onto the basics of hand-on defense training. The R.A.D. self-defense training program is taught by certified instructors and is offered several times throughout the year. For more information, contact Jonathan Avalos, Crime Prevention Coordinator, at 323-343-6290.

OPERATION IDENTIFICATION

Also known as Operation ID, this program involves the engraving of personal property with your state identification number. By engraving your property, you will not only discourage burglary and theft, but will also aid law enforcement in returning lost or stolen property that it recovers.

Tip: Come by the Department of Public Safety and borrow an engraver free of charge.

MONITORING AND RECORDING CRIME ACTIVITY AT NONCAMPUS LOCATIONS OF STUDENT ORGANIZATIONS

Cal State LA student organizations that are registered and recognized by the Division of Student Life via the Office of the Dean of Students and the Center for Student Involvement are required to comply with all appropriate federal, state and local laws and ordinances as well as all California State University (CSU) Executive Orders, and University policies and procedures, which include the University Student Code of Conduct (Article 1.1, Title 5, California Code of Regulations, Section 41301, et. Seq.). The University Student Code of Conduct is published quarterly in the Schedules of Classes, included in the Student Organization Handbook which is available on the Student Life website and published as Appendix D in the Cal State LA General Catalog.

The Center for Student Involvement maintains contact with recognized fraternity and sorority organizations. Additionally, all student organization events (Inclusive of events held at residences of fraternity and sorority organizations) are expected to be registered with the Center for Student Involvement at least ten days prior to the event date. UPD does not provide law enforcement service to off-campus residences of recognized fraternity and sorority organizations. Criminal Events held at off campus sites and recognized fraternity and sorority residences are monitored and recorded by the Los Angeles Police Department and the Alhambra Police Department as appropriate. Crimes at off-campus addresses are reflected in the Non-Campus Buildings category in this report. The UPD enjoys a close working relationship with the Los Angeles Police Department and the Alhambra Police Department when violations of federal, state, or local laws surface. This cooperative team approach addresses situations as they arise as well as future concerns. Additionally, the Cal State LA Police actively collaborate with the Dean of Students, Student Conduct, and Center for Student Involvement to address possible violations of CSU Executive Orders and/or Student Conduct Code violations at residences of recognized student organizations.

POSSESSION, USE, SALE AND ENFORCEMENT OF FEDERAL AND STATE ALCOHOL AND DRUG LAWS

POLICY ON ALCOHOL AND ILLEGAL DRUGS

In accordance with the Drug-Free Workplace Act of 1990 and Section 120a of the Higher Education Act, Cal State LA provides the following notification to all its students, faculty members, staff members and administrators:

STANDARDS OF CONDUCT

University standards prohibit the unlawful possession, manufacture, cultivation, use, or distribution of illegal drugs (as those terms are defined by State and Federal laws) on campus property. The University also prohibits the illegal possession, distribution, and consumption of alcoholic beverages.

ILLEGAL DRUGS

Federal and State laws on drug abuse provide for stringent penalties for illegal possession, manufacture, cultivation, sale, transportation, use of/administration of any narcotic drug; more stringent penalties for those convicted of previous narcotics offenses than for first offenders; and extremely stringent penalties for those who in any way involve minors in the use of narcotics. A person is subject to prosecution if they illegally uses or is under the influence of narcotics, or knowingly visits a place where illegal narcotic use is occurring.

Marijuana and other illegal organic substances are covered by similar laws, and there is an additional violation against cultivation or processing of these drugs in this state. The barbiturates (e.g. yellow jackets, red devils) and amphetamines (e.g. bennies, dexies, etc.) - called restricted dangerous drugs in the California Narcotic Act—are similarly covered; penalties for those convicted of illegal possession,

manufacture, cultivation, sale, transportation, use or administration of these drugs are severe. In 1966, LSD and related hallucinogenic drugs were added to the list of restricted dangerous drugs, and their use for other than authorized research was prohibited by California law.

ALCOHOL

The University's policy with respect to alcohol follows the laws of the State of California and the City of Los Angeles. All persons, regardless of age, or status are governed by these laws and regulations. State and city laws, prohibit (1) the purchase or sale to, possession of, or consumption of alcoholic beverages by anyone under 21; (2) the serving of alcohol to an already intoxicated person; and (3) the manufacture, use of provision of a false state identification card, driver's license, or certificate of birth or baptism. If convicted for violating these laws, punishment—up to and including jail sentence—may result.

HEALTH RISKS

The serious health risks of various illegal drugs and alcohol are well-documented. Use of illegal drugs or excessive use of alcohol can damage the following:

Physiological processes including functioning of the brain, digestive tract, liver, heart, and lungs.

Psychological and mental processes including memory, judgment, personality, reproduction capability and fetal development (and may induce psychotic episodes).

Many thousands of deaths each year are either directly or indirectly attributed to substance abuse through accidents, illnesses, and violence. Brochures describing the specific health effects of various illegal drugs and of alcohol are available in the Student Health Center (Health Center) and in Residence Life.

COUNSELING AND MEDICAL ASSISTANCE

The University's interest in the educational welfare of its students and staff is demonstrated through primary concern for remedial measures. The University makes available counseling and medical resources to assist students and staff in constructively confronting problems leading to involvement with drugs or alcohol.

Every student or staff member concerned about problems resulting from the use of illegal drugs or alcohol is encouraged to seek help from the Health Center at (323) 343-3302; staff members should contact the Employee Assistance Program (LifeMatters) at (800) 367-7474. The Student Health Center will treat such voluntary calls for students confidentially and not subject them to disciplinary action. The Student Health Center also maintains a complete listing of referral resources in the community that can provide students with specific assistance once an assessment has been made by a physician or counselor.

DISCIPLINARY SANCTIONS

Illegal Drugs

State law (Section 41301, of Title 5, California Code of regulations) allows the University to take disciplinary action, up to and including suspension or expulsion, against any student or staff who sells or knowingly possesses any illegal drug while on campus property. University action may be taken whether or not independent action is taken by civil authorities. Conviction in a criminal court does not necessarily preclude University disciplinary action up to and including suspension or expulsion.

Alcohol

University Administrative Procedure 19, Use of Alcoholic Beverages on Campus, explains the restrictions beyond City and State laws that govern the possession and use of alcohol on campus. Alcoholic beverages may only be sold at approved catered events. Also, when a recognized student club sponsors an on

campus event, attendance is limited to members of that club and their guests. Organizations violating this policy may be subject to administrative action ranging from probation to removal of official recognition. Individuals who violate University Administrative Procedure 19 are subject to disciplinary action up to and including suspension or expulsion.

The use of alcoholic beverages must be in compliance with California State law and is strictly limited to persons 21 years of age or older.

Drug and Alcohol Abuse Education Programs Required by the Drug-Free Schools and Community ACT (DFSC ACT)

Both mandatory and optional supplemental (in relation to EDGAR Part 86 core requirements) programming was conducted during the reporting period. Programs targeted fraternity and sorority members, housing residents, interns and volunteers, new students, student athletes, student organization members, student employees, students enrolled in specific courses, students who violated University policies, the general student population, and employees. Activities ranged from passive programming (e.g., MADD crashed car display) and information fairs, to workshops and guest lectures, to the provision of online information and resources. Programs were conducted by Fraternity and Sorority Life (University-Student Union), Health Promotion and Education (Student Health Center), Housing and Residence Life, Intercollegiate Athletics, Office of Student Conduct, Office of Graduate Studies, and University Police.

Collectively, education and training activities addressed alcohol, cannabis, opioids, prescription and over-the-counter medications, tobacco and nicotine, illicit substances, and other substances (e.g., CBD, supplements). These sessions incorporated: current federal and state legislation; CSU and campus policies; assessing risk; at-risk use; attitudes, myths and misperceptions; conduct expectations; campus disciplinary sanctions and legal consequences; health risks; healthy alternatives to substance use; legal consequences associated with criminal activity; on-campus and community prevention and intervention resources; promotion and support of 'Good Samaritan' behavior/bystander intervention; and substance facts.

Students and employees in need were referred to 12-step programs, alcohol and drug hotlines, community care and treatment facilities, employee assistance program, Office for Students with Disabilities, Office of Student Conduct, Office of the Dean of Students, online alcohol and substance resources, and the Student Health Center.

SEXUAL VIOLENCE PREVENTION

The California State University (CSU) promotes a safe living, learning, and working environment through

systemwide policies and through a variety of campus educational programs provided to students, faculty, and staff. The CSU prohibits dating violence, domestic violence, sexual misconduct/sexual assault, sexual exploitation, and stalking, and provides programs to prevent, educate, and promote awareness of these topics, in accordance with the CSU Policy Prohibiting Discrimination, Harassment, Sexual Misconduct, Sexual Exploitation, Dating Violence, Domestic Violence, Stalking, and Retaliation (“Nondiscrimination Policy”). These prohibited behaviors are also crimes as defined by 34 C.F.R. §668.46, and California criminal definitions.

The CSU provides comprehensive, intentional, and integrated programming, initiatives, strategies, and campaigns intended to stop dating violence, domestic violence, sexual misconduct/sexual assault, sexual exploitation, and stalking before they occur through the promotion of behaviors that foster healthy relationships, encourage safe bystander intervention, and seek to change behavior and social norms in healthy and safe directions.

The CSU’s prevention programs and initiatives are sustained over time and focus on increasing awareness and understanding of topics relevant to and skills for addressing dating violence, domestic violence, sexual misconduct/sexual assault, sexual exploitation, and stalking, using a range of strategies with audiences throughout the CSU community. This includes both community-wide or audience-specific programming, initiatives, and strategies that increase audience knowledge and share information and resources to prevent violence, reduce perpetration, promote safety and a culture of respect.

Campus programs must include primary prevention and awareness training: (1) for all new Students²; and new Employees; (2) refresher programs at least annually for all Students; (3) twice a year for all Students who serve as advisors in residence halls; (4) annually for all Student members of fraternities and sororities; (5) annually for all Student athletes and coaches; and (6) annually for all Employees consistent with their role in responding to and reporting incidents. Ongoing prevention and awareness campaigns for all Students and Employees will also be conducted. The CSU system will provide online training for all Employees and each campus will provide online training for all Students. All training must be consistent with the applicable CSU policy and state and federal regulations.

Each campus must assess which student organizations participate in activities that may place Students at risk and ensure that they receive annual supplemental training focused on situations the group’s members may encounter.

To ensure that all Students receive the necessary information and training enumerated above on dating violence, domestic violence, sexual misconduct/sexual assault, sexual exploitation, and stalking, campuses should impose consequences such as registration holds on those Students who do not participate in and complete such mandatory training.

Training for Employees

Training will be mandatory for all employees within six months of their initial hiring, and on an annual basis thereafter. Such training will include, but not be limited to: what constitutes discrimination, harassment, retaliation, sexual misconduct/sexual assault, dating and domestic violence, sexual exploitation and stalking under applicable law; the rights and responsibilities of each Employee relating to discrimination, harassment, retaliation, sexual misconduct/sexual assault, dating and domestic violence, sexual exploitation and stalking including the duty to report and exceptions; the protection against retaliation for Employees who report discrimination, harassment, retaliation, sexual misconduct, dating and domestic violence, sexual exploitation and stalking; the procedures provided under the CSU Nondiscrimination Policy for filing, investigating and resolving a complaint; and the option and method for filing complaints

² This includes incoming transfer, graduate, online, and extended education Students. The programs should occur no later than the first few weeks of the semester.

with external government agencies such as the Department of Fair Employment and Housing (DFEH) and the Equal Employment Opportunity Commission (EEOC). Under Cal. Govt. Code § 12950.1, each campus shall provide supervisory Employees at least two hours of interactive sexual harassment training within six months of the Employee's assignment to a supervisory position and every two years thereafter. Each campus shall maintain documentation of the delivery and completion of these trainings. For detailed guidance regarding the definition of "supervisor" and the implementation of this training, campuses shall consult Coded Memoranda HR 2005-35 and other applicable policies.

Prevention and Awareness Programming

California State University campuses provide primary prevention programs to all incoming students and new employees. California State University campuses provide ongoing prevention programs to all students and employees during their time at the institution. To comply with CSU Policy and 34 C.F.R. §668.46., campus-specific programs to prevent dating violence, domestic violence, sexual misconduct/sexual assault, sexual exploitation, and stalking will include:

1. A statement that the CSU prohibits dating violence, domestic violence, sexual misconduct/sexual assault, sexual exploitation, and stalking as defined under CSU policy and 34 C.F.R. §668.46.
2. The definitions of "dating violence," "domestic violence," "sexual assault," and "stalking" in the applicable jurisdiction, California (California Penal Code) and the definitions under CSU policy (to also include the CSU policy definition of "sexual exploitation").
3. The definition of "consent," in reference to sexual activity, in the applicable jurisdiction, California (California Penal Code), and the definition of "affirmative consent" under CSU policy.
4. Common facts and myths about the causes of sexual misconduct/sexual assault.
5. A description of safe and positive options for bystander intervention, as exemplified below.
6. Information on risk reduction, exemplified below.
7. Information regarding campus, criminal, and civil consequences of engaging in acts of sexual misconduct/sexual assault, sexual exploitation, dating and domestic violence, and stalking.

Information about reporting, adjudication, and disciplinary procedures as required by 34 C.F.R. §668.46 and as described in the procedures under the CSU Nondiscrimination Policy.

Information About Campus Reporting, Adjudication, and Discipline Procedures

Campus training programs will reference the procedures outlined in the CSU Nondiscrimination Policy that victims/survivors may follow if an incident of dating violence, domestic violence, sexual misconduct/sexual assault, sexual exploitation, or stalking has occurred. Training programs will also reference information about preserving evidence, reporting to the appropriate authorities, confidentiality options, available protective and supportive measures.

Campuses apply the relevant CSU policy and procedures when responding to all reports of dating violence, domestic violence, sexual misconduct/sexual assault, sexual exploitation, or stalking. Campuses shall establish processes to provide a print and/or digital copy of the "Rights and Options for Victims" as outlined in the CSU Nondiscrimination Policy to any community member who reports experiencing such harm, regardless of whether the incident occurred on or off campus.

Campus training programs regarding the procedures for reporting and addressing reports of dating violence, domestic violence, sexual misconduct/sexual assault, sexual exploitation, and stalking will include the following:

- A statement explaining that the campus' primary concern is the safety of members of the campus community; that the use of alcohol or drugs never makes the victim/survivor at fault for sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence, or stalking; that Students who experience or witness sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence, or stalking should not be deterred from reporting incidents out of a concern that they might be disciplined for related violations of drug, alcohol, or other CSU policies; and that Students who experience or witness sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence, or stalking shall not be subject to discipline for related violations of conduct policies at or near the time of the misconduct unless the violation is egregious (including actions that place the health or safety of any other person at risk or involves plagiarism, cheating, or academic dishonesty.)
- A statement that "CSU policy prohibits retaliation against a person who: reports sex discrimination, sexual harassment, sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence, or stalking; assists someone with a report of such conduct; or participates in any manner in a related investigation or resolution.
 - Retaliation means that a substantial motivating reason for an Adverse Action taken against a person was because the person has or is believed to have:
 - Exercised their rights under this policy,
 - Reported or opposed conduct which was reasonably and in good faith believed to be in violation of this policy,
 - Assisted or participated in an investigation/proceeding under this policy, regardless of whether the Complaint was substantiated,
 - Assisted someone in reporting or opposing a violation of this policy or assisted someone in reporting or opposing Retaliation under this policy.
 - Adverse Action means an action engaged in by the Respondent that has a substantial and material adverse effect on the Complainant's ability to participate in a university program, activity, or employment. Minor or trivial actions or conduct not reasonably likely to do more than anger or upset a Complainant does not constitute an Adverse Action.
 - Retaliation may occur whether or not there is a power or authority differential between the individuals involved.
- What someone should do if they have experienced or witnessed sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence, or stalking.
- Individuals to whom incidents may be reported along with information regarding what degree of confidentiality may be maintained by those individuals.
- The availability of, and contact information for, campus and community resources for victims/survivors of sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence, or stalking.
- A description of campus and systemwide policies and disciplinary procedures available for addressing alleged violations and the consequences of violating these policies, including the fact that such proceedings shall:
 - Provide a prompt, fair, and impartial investigation and resolution; and,

- Be conducted by officials who receive annual training on issues related to sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence, or stalking and how to conduct an investigation and hearing process that protects the safety of victims/survivors and promotes accountability.
- The fact that the Complainant and the Respondent will be afforded the same opportunities to have others present during a disciplinary proceeding, including the opportunity to be accompanied to any related meeting or proceeding by the Advisor of their choice.
- The fact that both the Complainant and the Respondent shall be simultaneously informed in writing of:
 - The outcome of any disciplinary proceedings that arises from an allegation of a sex discrimination, sexual harassment, sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence, or stalking.
 - The CSU's procedures for the Complainant or Respondent to appeal the results of the disciplinary proceeding.
 - Any change to the disciplinary results that occurs prior to the time such results become final.
 - When disciplinary results become final.
- Possible sanctions or remedies the campus may impose following the final determination of a campus disciplinary procedure regarding sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence, or stalking.
- How the campus will protect the confidentiality of Complainants, including how publicly available recordkeeping (e.g., campus Clery reports) will be accomplished without the inclusion of identifying information about the Complainant to the extent permissible by law.
- That all students and employees must receive written notification about existing counseling, health, mental health, victim advocacy, legal assistance, visa and immigration assistance, student financial aid, and other services available for victims/survivors, both on campus and in the community.
- That all students and employees who report being a victim/survivor of sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence, or stalking must receive written notification of available assistance in, and how to request changing academic, living, transportation, and working situations, if requested and if such accommodations are reasonably available, regardless of whether the victim/survivor chooses to report the incident to campus police or local law enforcement.
- Procedures victims/survivors are recommended to follow if sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence, or stalking has occurred, as well as the fact that the following written information must be provided to victims:
 - The importance of preserving evidence following an incident of sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence, or stalking, which may also be used to obtain a temporary restraining or other protective order.
 - The name and contact information of the campus Employee(s) to whom the alleged incident should be reported.
 - Reporting to law enforcement and campus authorities, including the option to: (a) notify law enforcement authorities, including on-campus and local police; (b) be assisted by

campus authorities in notifying law enforcement authorities if the victim so chooses; and, (c) decline to notify such authorities.

- Where applicable, the rights of victims/survivors and the campus' responsibilities regarding orders of protection, no contact directives, restraining orders, or similar lawful orders issued by a criminal, civil, or tribal court.

Risk Reduction

The CSU provides community members with information and strategies for risk reduction designed to decrease perpetration, promote bystander intervention and healthy relationships, empower marginalized voices, and support victims/survivors. Information and strategies for risk reduction help promote safety and help individuals and communities address conditions that facilitate violence.

Sexual Misconduct/Sexual Assault

The CSU is committed to maintaining a safe campus for all members of the CSU community. Risk reduction strategies are focused on creating a culture of respect, reducing the risk for perpetration and for victimization. It is important to emphasize that only those who engage in sexual misconduct/sexual assault, dating violence, domestic violence, sexual exploitation, and stalking are responsible for those actions. With this in mind, the following tips provide some possible strategies to help promote a caring community and mitigate personal risk.

- Communication is key to healthy relationships and healthy sexual interactions. Obtain Affirmative Consent from your partner for all sexual activity.
 - Affirmative Consent means an informed, affirmative, conscious, voluntary, and mutual agreement to engage in sexual activity.
 - Engaging in any sexual activity without first obtaining Affirmative Consent to the specific activity is Sexual Misconduct, whether or not the conduct violates any civil or criminal law.
 - Affirmative Consent can be withdrawn or revoked at any time.
 - Affirmative Consent to sexual activity in the past does not mean consent in future – there must be voluntary consent for all sexual activity.
 - Lack of protest, resistance, or mere silence does not equal Affirmative Consent.
 - Sexual activity between a minor (a person younger than 18 years old) and a person who is at least 18 and two years older than the minor always constitutes Sexual Misconduct, even if there is Affirmative Consent to all sexual activity.
- Do not engage in sexual activity with someone who is incapacitated.
 - A person who is incapacitated by alcohol or drugs cannot give Affirmative Consent.
 - A person who is unconscious or asleep cannot give Affirmative Consent.
 - A person's own intoxication or incapacitation does not diminish their responsibility to obtain Affirmative Consent from any person with whom they engage in sexual activity.
- Signs that someone does not respect the importance of consent:
 - They pressure or guilt you into doing things you may not want to do.

- They suggest you “owe” them something (including sexual acts) because you’re dating or because they have done or claim to have done something for you.
- They react negatively with sadness, anger, or resentment if you don’t consent to something or don’t do so immediately

Dating/Domestic Violence

Common signs of abusive behavior in a relationship

According to the National Domestic Violence Hotline, one feature shared by most abusive relationships is that an abusive partner tries to establish or gain power and control through many different methods, at different moments. Even one or two of the following behaviors is a red flag that a partner may be abusive.

- Showing extreme jealousy of friends or time spent away from a partner.
- Preventing or discouraging one’s partner from spending time with friends, family members, or peers.
- Insulting, demeaning, or shaming a partner, especially in front of other people.
- Preventing one’s partner from making their own decisions about working or attending school.
- Controlling finances in the household without discussion, including taking a partner’s money or refusing to provide money for necessary expenses.
- Pressuring one’s partner to have sex or perform sexual acts they are not comfortable with.
- Pressuring a partner to use drugs or alcohol.
- Threatening to harm or take away a partner’s children or pets.
- Intimidating one’s partner with weapons
- Destroying a partner’s belongings or home

If you notice warning signs in your relationship or that of someone you care about, remember there are support resources available on your campus, including individuals with whom you can speak confidentially and who can assist you with making a safety plan. A good starting place for a list of resources is your campus Title IX webpage. You can also contact the National Domestic Violence Hotline at 1.800.799.SAFE (7233), which is free and confidential.

- Abusive behaviors can be difficult to recognize in a relationship, even if you are the one engaging in them. In addition to some of the common signs of abusive behavior outlined above, ask yourself if your partner:
 - o Seems nervous around you,
 - o Seems afraid of you,
 - o Flinches, cringes, or retreats when you are emotional,
 - o Seems scared, or unable to contradict you or speak up around you, and/or
 - o Restricts their own interactions with friends, family, coworkers, or others in order to avoid upsetting you

If you recognize the behaviors above in yourself, or in how your partner reacts, these could be signs that you are hurting them. This can be a difficult realization to come to but it’s vital that you do so if you want to change and stop harming your partner. By acknowledging that your actions are harmful and taking

responsibility for them, you can continue to progress on the path toward correcting them.

You could consider contacting the psychological counseling center on your campus to speak with a counselor confidentially, or you could contact the National Domestic Violence Hotline at 1.800.799.SAFE (7233), which is free and confidential.

Stalking

Respecting boundaries

If someone tells you that they do not want you to contact them or do something like visit their home or send them gifts, or if they have stopped interacting with you, respect their choice. Everyone has the right to set boundaries.

Recognizing stalking behaviors

A person who engages in stalking may:

- Repeatedly call or send other unwanted communication such as text messages, emails, social media messages, letters, etc.
- Follow the person and seem to "show up" wherever they are.
- Send unwanted gifts.
- Damage home, car, or other property.
- Monitor phone calls or computer use.
- Drive or linger near the home, school, or work of the person they are stalking.
- Use other people to try and communicate with the person they are stalking, like children, family, or friends.

[Source: [Victim Connect Resource Center](#)]

Below are some tips from the Stalking Prevention Awareness and Resource Center (SPARC) regarding steps one can take if they are experiencing stalking

- Trust your instincts – if you/someone feels they are in immediate danger or fear a threat of harm, call 911.
- Keep a record or log of each contact with the stalker.
- Save evidence when possible, such as emails, text messages, postings on social media, etc.

Know that there are support resources available on each CSU campus, including individuals with whom individuals can speak confidentially and who can assist in making a safety plan and/or seeking a protective order. A good starting place for a list of resources is your campus Title IX webpage.

Bystander Intervention

The California State University and the campuses provide training on safe and positive options that may be carried out by an individual or individuals to prevent harm or intervene when there is a risk of dating violence, domestic violence, sexual misconduct/sexual assault, sexual exploitation, or stalking. Bystander intervention includes recognizing situations of potential harm, understanding institutional structures and cultural conditions that facilitate violence, overcoming barriers to intervening, identifying safe and effective intervention options, and taking action to intervene. Information about bystander intervention is included in a variety of prevention, outreach, and awareness programs across the CSU.

This training encourages employees and students to:

- Notice the Event
- Interpret the Event as a Problem
- Assume Personal Responsibility
- Learn How to Help
- And Step Up by utilizing the “4 Ds” – Direct, Distract, Delegate, and Delay
 - Direct – Directly addressing the situation.
 - Distract – Making a simple (or elaborate) distraction to diffuse the situation.
 - Delegate – Finding someone else to address the concern.
 - Delay – Checking in with the person after to see if you can do anything to support them.

CSU Policy Definitions

Definitions of conduct that is prohibited under CSU policy are found in Article VII of the CSU Nondiscrimination Policy. These definitions are applicable in relation to the University’s administrative processes and may differ from the criminal law definitions (California) found in Appendix A.

PRESERVATION OF EVIDENCE IN CASES OF SEXUAL MISCONDUCT/SEXUAL ASSAULT, DATING VIOLENCE, DOMESTIC VIOLENCE, OR STALKING

It is important that you take steps to preserve and collect evidence; doing so preserves the full range of options available to you, be it through the University’s administrative complaint procedures or criminal prosecution. To preserve evidence: (1) do not wash your face or hands; (2) do not shower or bathe; (3) do not brush your teeth; (4) do not change clothes or straighten up the area where the assault took place; (5)

do not dispose of clothes or other items that were present during the assault, or use the restroom; and, (6) seek a medical exam immediately. If you already cleaned up from the assault, you can still report the crime, as well as seek medical or counseling treatment. You should preserve text messages, social media postings, or notes that demonstrate the course of conduct. Contemporaneous photos of bruises or other injuries are helpful. You may consult with the campus Title IX Coordinator or Sexual Assault Victim's Advocate for assistance as well.

REPORTING OPTIONS

The University's primary concern is your safety and the safety of the campus community. The use of alcohol or drugs never makes the victim at fault for sexual misconduct/sexual assault. If you have experienced sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence, or stalking you should not be deterred from reporting the incident out of a concern that you might be disciplined for related violations of drug, alcohol, or other University policies. A person who participates in investigations or proceedings involving sexual misconduct/sexual assault will not be subject to discipline for related violations of the Student Conduct Code or other University policies at or near the time of the incident unless the University determines the conduct places the health and safety of another person at risk or is otherwise egregious. You have several reporting options, and you may pursue one or more of these options at any time. It is your right to have a friend, family member, Sexual Assault Victim's Advocate, or other representative present with you while reporting the incident. You also have the right to have a sexual assault counselor, Sexual Assault Victim's Advocate and/or support person of your choice present with you during a rape examination. You are strongly encouraged to report any incidents to the police and/or campus Title IX Coordinator so that steps may be taken to protect you and the rest of the campus community. However, non-reporting is also an option.

Reporting to university police and/or local police is an option at any time. If you choose not to report to the police immediately following an incident, you can still make the report at a later time. However, with the passage of time, the ability to gather evidence to assist with criminal prosecution may be limited. Depending on the circumstances, the police may be able to obtain a criminal restraining order on your behalf. The campus Title IX Coordinator or Sexual Assault Victim's Advocate can assist you in notifying the police if you choose.

The campus is required by law to disclose reports of some crimes (including dating violence, domestic violence, sexual assault/sexual misconduct and stalking) including through the daily crime log, the Annual Security Report, and Timely Warning Notices as explained in greater detail below. However, while the University will include reportable incidents in these disclosures, the victim's name/identity will not be included in publicly-available records or reports.

PROTECTIVE ORDERS

You may also choose to obtain a protective or restraining order (such as a domestic violence restraining order or a civil harassment restraining order). Restraining orders must be obtained from a court in the jurisdiction where the incident occurred. Restraining orders can protect victims who have experienced or are reasonably in fear of physical violence, sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence, or stalking. University police and your campus Title IX Coordinator can offer assistance with obtaining a protective or restraining order.

The Los Angeles County Bar Association's Domestic Violence Legal Services Project also offers document preparation assistance for temporary restraining orders. For more information and to obtain additional assistance you may visit them at Los Angeles Superior Court located at 111 North Hill Street, Los Angeles, CA 900012, 2nd Floor, Department 8, Room 245.

SUPPORTIVE MEASURES

Supportive Measures are individualized services offered as appropriate, as reasonably available, and without fee or charge to the Complainant or Respondent regardless of whether a Formal Complaint is filed. Supportive Measures are designed to restore or preserve equal access to CSU education programs or activities, or the workplace without unreasonably burdening the other Party, including to protect the safety of all Parties or the educational or work environment. Supportive Measures may include counseling, extensions of deadlines or other course or work-related adjustments, modifications of work or class schedules, campus escorts, mutual restrictions on contact between the parties, changes in work or housing locations, leaves of absence, increased security, and monitoring of certain areas of the campus, and other similar measures. The Title IX Coordinator/DHR Coordinator is responsible for coordinating the effective implementation of Supportive Measures. Supportive Measures will remain confidential except when it is not possible to maintain confidentiality in order to provide the Supportive Measures.

WRITTEN NOTIFICATION

Along with the information provided in the outreach communication, the Title IX Coordinator will provide Complainants alleging Sexual Misconduct, Sexual Exploitation, Dating Violence, Domestic Violence or Stalking, with the information in Attachment D to the CSU Policy Prohibiting Discrimination, Harassment, Sexual Misconduct, Sexual Exploitation, Dating Violence, Domestic Violence, Stalking, and Retaliation - Rights and Options for Victims of Sexual Misconduct/Sexual Assault, Sexual Exploitation, Dating And Domestic Violence, And Stalking.

This written notification states that the Campus and Title IX Coordinator will provide supportive measures, if they are reasonably available, regardless of whether [the victim] chooses to report sexual misconduct/sexual assault, sexual exploitation, dating or domestic violence, or stalking to Campus or local police; and also that they will:

- Assist [the victim] in accessing other available victim advocacy, academic support, counseling, disability, medical/health or mental health services, and legal assistance both on and off campus;
- Make connections to individuals on campus who can provide support and solutions with respect to a variety of logistics, including transportation assistance, visa/immigration assistance, and financial aid assistance;
- Provide other security and support, which could include issuing a mutual no-contact order, helping arrange a change of campus-based living or working arrangements or course schedules or adjustments for assignments, tests, or work duties; and
- Inform you of your right to report a crime to university or local police – and provide you with assistance if you wish to make such a report.

If you wish to request an accommodation, please contact the campus Title IX Coordinator, Mariel Mulet, Director of Human Resources Equity and Diversity Policies and Procedures located at the Student Services Building, Room 6381 or by phone at (323) 343-3040.

Attachment D also informs victims that disciplinary procedures for sexual misconduct/sexual assault, sexual exploitation, dating and domestic violence, and stalking will:

- Provide a prompt, fair, and impartial process and resolution;
- Be conducted by officials who receive annual training on sexual misconduct/sexual assault, sexual exploitation, dating and domestic violence, and stalking, including how to conduct a process that protects the safety of members of the campus community and promotes accountability;

- Provide the Complainant and the Respondent the same opportunity to be accompanied to any related meeting or proceeding by an Advisor of their choice;
- Simultaneously inform the Complainant and the Respondent in writing of:
 - The disciplinary outcome:
 - The procedures available to appeal the results of the disciplinary outcome:
 - Any change to the disciplinary results that occurs prior to the time such results become final; and
 - When disciplinary results become final.

This same information is provided in writing to all students and employees within the CSU Policy Prohibiting Discrimination, Harassment, Sexual Misconduct, Sexual Exploitation, Dating Violence, Domestic Violence, Stalking, and Retaliation, and as part of annually assigned training.

DISCIPLINARY PROCEDURES

The following statements are excerpts from the CSU Policy Prohibiting Discrimination, Harassment, Sexual Misconduct, Sexual Exploitation, Dating Violence, Domestic Violence, Stalking, and Retaliation (“the Policy”). As required by the law, the excerpts in this Annual Security Report capture the steps, decisionmakers, and anticipated timelines for both formal and informal resolution processes, as applicable. For details beyond the steps, decisionmakers, and anticipated timelines, please see the policy.

The campus Title IX Coordinator is the designated administrator to receive reports of Sex Discrimination, Sexual Harassment, Sexual Misconduct, Sexual Exploitation, Dating Violence, Domestic Violence, Stalking, and associated Retaliation.

The campus Title IX Coordinator, Mariel Mulet, Director of Human Resources Equity and Diversity Policies and Procedures is located at the Student Services Building, Room 6381 or you may contact her by phone at (323) 343-3040. For more information, please visit <https://www.calstatela.edu/hrm/oedi-title-ix>.

Complaints against a Chancellor's Office employee, or a campus Title IX Coordinator/ Discrimination, Harassment, and Retaliation Administrator ("DHR Administrator") will be made to the Chancellor's Office at eo-wbappeals@calstate.edu.³

The campus will respond in a timely and appropriate manner to all Complaints and will take appropriate action to prevent continuation of and correct Policy violations.

After receiving a report, the Title IX Coordinator will assess the report and provide outreach to the possible Complainant named in the report. This outreach will include information regarding potential Supportive Measures, where applicable. The Title IX Coordinator will describe and offer Supportive Measures to Complainants during the initial assessment (even if the Complaint is ultimately not investigated). Supportive Measures may include counseling, extensions of deadlines or other course or work-related adjustments, modifications of work or class schedules, campus escorts, mutual restrictions on contact between the parties, changes in work or housing locations, leaves of absence, increased security and monitoring of certain areas of the campus, and other similar measures.

The Title IX Coordinator will make reasonable efforts to ensure that anyone involved in conducting investigations, finding facts, and making disciplinary decisions in a matter will be impartial, neutral, and free from actual Conflicts or Interest.

³ Complaints against a President should be made to the Chancellor's Office, but only if it is alleged that the president directly engaged in conduct that violates the Policy. Any other Complaints against a president (for example, that the president had no substantial involvement other than to rely on or approve a recommendation made by another administrator) will be made to and addressed by the campus.

All persons involved in implementing these procedures (e.g., the campus Title IX Coordinator and any Deputy Title IX Coordinator(s), Investigators, Human Resource Directors and Hearing Officers presiding over hearings) shall have relevant annual training on issues related to Sex Discrimination, Sexual Harassment, Sexual Misconduct, Sexual Exploitation, Dating and Domestic Violence, Stalking. Such annual training shall include the CSU complaint processes, as well as the handling, investigation, and analysis of complaints of Sex Discrimination, Sexual Harassment, Sexual Misconduct, Sexual Exploitation, Dating and Domestic Violence, and Stalking. The annual training shall also address applicable confidentiality issues, especially with respect to the Title IX Coordinator's duty to weigh any victim's request for confidentiality against the duty to provide a safe and nondiscriminatory environment for all members of the campus community. For matter involving Sexual Misconduct, Sexual Exploitation, Dating and Domestic Violence, and Stalking, the training shall also include how to conduct an investigation and hearing process that protects the safety of the person(s) involved and promotes accountability.

The Complainant and Respondent may choose to be accompanied by an Advisor of their choice during meetings or any stage of the Complaint process. The Parties also have the right to consult with an attorney, at their own expense, or a union representative at any stage of the process if they wish to do so. An attorney or union representative may serve as a Party's chosen Advisor. The unavailability of a specific Advisor will not unduly interfere with prompt scheduling.

Applicable Procedures

The campus will investigate or otherwise respond to reports of alleged misconduct committed by a student in accordance with the Procedures for Complaints of Discrimination, Harassment, Sexual Misconduct, Sexual Exploitation, Dating Violence, Domestic Violence, Stalking, and Retaliation Made Against a Student ("Student Respondent Procedures") if the alleged misconduct violates the Policy and:

- occurred on campus; or
 - involved or impacted a campus program or activity (including campus employment); or
 - affected a student's or Employee's ability to participate in a program, activity, or employment;
- AND
- The alleged misconduct was committed by a person who at the time of the alleged misconduct was a student.

The campus will investigate or otherwise respond to reports of alleged misconduct committed by an Employee or Third-Party in accordance with the Procedures for Complaints of Discrimination, Harassment, Sexual Misconduct, Sexual Exploitation, Dating Violence, Domestic Violence, Stalking, and Retaliation Made Against an Employee or Third-Party ("Employee or Third-Party Respondent Procedures") if the alleged misconduct violates the Policy and:

- occurred on campus; or
 - involved or impacted a campus program or activity (including campus employment); or
 - affected a student's or Employee's ability to participate in a program, activity, or employment;
- AND
- The alleged misconduct was committed against a person who at the time of the alleged misconduct was a student, or the alleged misconduct was committed by or against an Employee.

Depending on the circumstances, the campus response may or may not include a formal investigation. When a Complainant requests that no investigation occur, the Title IX Coordinator will balance the request against the campus' duty to provide a safe and nondiscriminatory environment for all members of the campus community.

The Track System

There are three possible sets of procedures ("tracks") for formal resolution of Complaints against a Student⁴(Track 1, Track 2, Track 3) as required by federal and state law. There are two sets of procedures ("Tracks") for formal resolution of Complaints against an Employee or a Third-Party (Track 1 or Track 3) as required by federal and state law. The remaining track, track 2: State Mandated Hearing Process, is not applicable to Complaints against Employees or Third-Parties, as it applies only to certain Complaints against Students. Which procedure applies to any given Complaint will depend on a variety of factors described below. Questions about which procedures apply to any specific case should be directed to the campus Title IX Coordinator and/or the Discrimination, Harassment, and Retaliation Administrator ("DHR Administrator").

Prior to a Notice of Investigation being sent to the Complainant and the Respondent, the Title IX Coordinator/DHR Administrator will determine which Track applies.

- Track 1 applies when the alleged conduct:
 - Meets the definition of Sexual Harassment as defined in Article VII.C of the Policy; and
 - Occurred in the United States; and
 - Occurred in an education program or activity at the university, as defined in Track 1
- Track 2 applies when:
 - The Complaint is against a student; and
 - The Complaint is one of Sexual Misconduct, Dating Violence, or Domestic Violence; and
 - The credibility of one (or both) of the Complainant and the Respondent ("the Parties"), or any witness is central to the determination as to whether the student violated the policy; and
 - The student is facing a severe disciplinary sanction (expulsion or suspension) if found to be in violation of university Policy.
- Track 3 applies to all other Complaints under these procedures that allege a Policy violation.

Under Track 1 or 2, the campus will conduct an investigation, and the Complaint will proceed to a hearing unless otherwise resolved. An Investigator will first interview the Complainant, the Respondent, and any witnesses, and gather any documentary evidence. The hearing will occur once an investigation has finished. During the hearing, a hearing officer listens to the witnesses, including the Complainant and the Respondent, and analyzes the evidence, before deciding whether or not the Respondent violated the Policy.

Under Track 3, an Investigator interviews the Complainant, the Respondent, and any witnesses, gathers any documentary evidence, analyzes the evidence, and decides whether or not the Respondent violated the Policy. There is no hearing in Track 3 cases.

Standard of Evidence

The Preponderance of the Evidence based on the facts available at the time of the decision is the standard for demonstrating facts and reaching conclusions in an investigation and hearing that uses the Procedures. Preponderance of the Evidence means the greater weight of the evidence; i.e., that the evidence on one side outweighs, preponderates over, or is more than, the evidence on the other side.

⁴ A Complaint against a Student-Employee where the alleged conduct arose out of the Respondent's status as an Employee and not their status as a student, should be made using the Procedures for Complaints of Discrimination, Harassment, Sexual Misconduct, Sexual Exploitation, Dating Violence, Domestic Violence, Stalking, and Retaliation Made Against an Employee or Third-Party.

Dismissal/Referral

When the Title IX Coordinator receives a Formal Complaint under Track 1, or where new information or events arise under this Track, the Title IX Coordinator will assess whether the Formal Complaint meets the requirements of the Federal Regulations to move forward under the process under Track 1. A determination that allegations in a Formal Complaint do not meet the requirements of the Federal Regulations will result in a mandatory dismissal of the allegations in the Formal Complaint that do not meet the requirements and, in some cases, a referral of the allegations to another process as the campus may have an obligation to address the matter under other laws and policies. The Title IX Coordinator will determine whether allegations in a Formal Complaint must be dismissed for purposes of the Federal Regulations. If a Formal Complaint is dismissed it may still be referred, if appropriate, to be addressed under the processes in Track 2 or Track 3, CSU Executive Order 1098, or other applicable policies. At any time after a Complaint has been accepted for investigation, it is within the discretion of the Title IX Coordinator/DHR Administrator to dismiss a Complaint, or any part of a Complaint, if the Complainant notifies the Title IX Coordinator/DHR Administrator in writing that they would like to withdraw the Complaint or any part of it, or if the specific circumstances prevent the campus from gathering evidence necessary to reach a determination as to the Complaint or part of the Complaint.⁵ Written notice of dismissal (mandatory or discretionary) and reason(s) for the dismissal will be sent simultaneously to the Parties when a Title IX Coordinator dismisses any Complaint. The notice will inform the Parties of their right to appeal the dismissal, whether the matter will be referred to another process, and the process for submitting an appeal. Either Party may appeal from a dismissal of a Complaint or any part of the Complaint. The appeal must be filed within 10 Working Days from the date of the notice of dismissal. Appeals against a dismissal under Track 1 will be filed with the Chancellor's Office (CO) and will be addressed to:

Systemwide Title IX Unit

Systemwide Human Resources

Office of the Chancellor

TIX-Dismissal-Appeals@calstate.edu

Appeals against a dismissal under Track 2 or Track 3 will be submitted to the Chancellor's Office and will be addressed to:

Equal Opportunity and Whistleblower Compliance Unit

Systemwide Human Resources

Office of the Chancellor

401 Golden Shore

Long Beach, California 90802

eo-wbappeals@calstate.edu

If a Party is unable to file an appeal or a response to an appeal electronically, they should contact the campus Title IX Office for assistance. When an appeal is submitted, the other Party as well as the campus

⁵ Formal complaints under track 1 may be discretionarily dismissed for the additional reason that the Respondent is no longer a student or Employee

Title IX Coordinator will be notified in writing. In response to the appeal, the other Party will be given 5 Working Days from their receipt of notice of the appeal to submit a written statement in support of or challenging the dismissal. Within 10 Working Days of the CO's receipt of the appeal, the Parties will simultaneously receive (via email) a written decision with explanation.

Informal Resolution

The CSU recognizes some Parties may desire resolution of their matter through an Informal Resolution process ("Informal Resolution"), instead of through the formal resolution process (described below). Accordingly, Parties may mutually agree, with the agreement of the Title IX Coordinator, to resolve a Complaint through an Informal Resolution process, instead of undergoing the formal resolution process⁶. The Informal Resolution process is entirely voluntary and will not occur unless both Parties agree in writing to participate in an Informal Resolution process.

The Title IX Coordinator/DHR Administrator will oversee the Informal Resolution process, conduct an initial and on-going assessment as to whether the Informal Resolution process should continue, and make the final determination on all Informal Resolutions facilitated by the Title IX Coordinator or designee regarding whether the terms agreed to by the Parties are appropriate in light of all of the circumstances of the Complaint. In some circumstances, depending on the nature and/or severity of the allegations, an Informal Resolution may not be appropriate, and the Title IX Coordinator/DHR Administrator will not approve an Informal Resolution. Prior to approving an Informal Resolution, the Title IX Coordinator/DHR Administrator will consult with the appropriate administrator in human resources or faculty affairs. Prior to engaging in an informal resolution process, the campus will obtain the Parties' voluntary, written consent. Parties who choose to participate in the voluntary Informal Resolution process will be sent a notice of agreement to engage in Informal Resolution.

The Informal Resolution process may take place at any time before a determination of responsibility is made, but no later than 60 Working Days after both Parties provide voluntary, written consent to participate in the Informal Resolution process.

Any agreed-upon Remedies and disciplinary sanctions agreed to in an Informal Resolution have the same effect as Remedies given and sanctions imposed following an investigation (and/or hearing), consistent with an applicable collective bargaining agreements.

The terms of any Informal Resolution must be put in writing and signed by the Parties, and the Title IX Coordinator. The resolution will be final and not appealable by either Party.

Investigation and Hearing for Track 1

Supportive Measures

After receiving a report of Sexual Harassment, the Title IX Coordinator will contact the Complainant promptly to discuss the availability of Supportive Measures. The Title IX Coordinator will conduct an intake meeting with any Complainant who responds to outreach communication, or otherwise makes a report of a potential Policy violation to discuss the Complainant's options, explain the process, and provide information about Supportive Measures. During the discussion, the Title IX Coordinator will consider the Complainant's wishes with respect to Supportive Measures, inform the Complainant of the availability of Supportive Measures with or without the filing of a Formal Complaint⁷, and explain the process for filing a Formal

⁷ Formal Complaint means a document or electronic submission filed by a Complainant that contains the Complainant's physical or digital signature¹⁵ or a document signed by the Title IX Coordinator alleging Sexual Harassment against a Respondent and requesting an investigation of the allegation of Sexual Harassment. At the time that the Formal

Complaint.

Notice of Allegations

When the Title IX Coordinator receives a Formal Complaint, the Title IX Coordinator will Simultaneously provide both Parties a written notice of allegations. If new allegations are raised during the investigation that were not included in the notice of allegations, a revised notice of allegations will be issued Simultaneously to the Parties. If the notice of allegations also serves as notice of a Respondent's expected attendance at an interview, it will include details of the date, time, location, participants, and purpose of that interview. The notice of allegations must be provided to a Respondent at least 5 Working Days prior to the interview. If a Respondent requests to meet sooner than 5 Working Days after receipt of the notice of allegations, they should verbally confirm at the start of the meeting that they are aware that they were provided notice of at least 5 Working Days and this confirmation should be documented by the Title IX Coordinator or Investigator.

Investigation of a Formal Complaint

The Title IX Coordinator will either promptly investigate the Formal Complaint or assign this task to another Investigator. If assigned to another Investigator, the Title IX Coordinator will monitor, supervise, and oversee all such delegated tasks, including reviewing all investigation draft reports before they are final to ensure that the investigation is sufficient, appropriate, impartial, and in compliance with Track 1. The investigator will take reasonable steps to gather all relevant evidence from the Parties, other witnesses, or other sources. The investigator will document the steps taken to gather evidence, even when those efforts are not successful.

The Complainant and the Respondent may each elect to be accompanied by an Advisor to any meeting, interview, or proceeding regarding the allegations that are the subject of a Formal Complaint. The advisor may be anyone, including a union representative from the Complainant's or Respondent's collective bargaining unit, an attorney, or, in the case of the Complainant, a Sexual Assault Victim's Advocate. Parties will be provided written notice of the date, time, location, names of participants, and purpose of all meetings and investigative interviews at which their participation is expected. This written notice should be provided with at least 3 Working Days for the Party to prepare to participate in the meeting or interview. This requirement will not apply where a Party themselves requests to meet with the Title IX Coordinator or Investigator or as addressed in Article VI of Track 1.

If a Party requests to meet with the Title IX Coordinator sooner than 3 Working Days after receipt of written notice of an investigative interview or meeting, they should verbally confirm at the start of the interview or meeting that they are aware that they were provided notice of at least 3 Working Days and this confirmation should be documented by the Title IX Coordinator or Investigator.

Review of Evidence

Before issuing a final investigation report, the investigator will send to the Complainant and Respondent, and their respective advisors, if any, all evidence (including evidence upon which the campus does not intend to rely) obtained as part of the investigation that is Directly Related to the allegations raised in the Formal Complaint (preliminary investigation report).

Each Party will be given a minimum of 10 Working Days for the initial review of evidence to respond to the list of disputed facts and evidence and submit additional questions for the other Party and witnesses. This timeframe may be extended at the discretion of the Title IX Coordinator (either on their own or in response to a Party's request). The extension must be made available to both Parties, who must be notified as such. During the review of evidence, each Party may:

Complaint is filed, a Complainant must be participating in or attempting to participate in an Education Program or Activity of the CSU.

- Meet again with the investigator to further discuss the allegations.
- Identify additional disputed facts.
- Respond to the evidence in writing.
- Request that the investigator ask additional specific questions to the other Party and other witnesses.
- Identify additional relevant witnesses.
- Request that the investigator gather additional evidence.

The investigator will share with the Parties the answers to questions posed during the review of evidence. If additional disputed material facts are identified or evidence is gathered, it will be included in the preliminary investigation report (or in a separate addendum) and shared with all Parties, who will be given a reasonable opportunity to respond to the new evidence and submit additional questions to the other Party and other witnesses about the new evidence only. The investigator determines when it is appropriate to conclude the review of evidence.

Final Investigation Report

After the review of evidence phase is concluded, the Parties will receive a final investigation report that will summarize all Relevant evidence (inculpatory and exculpatory), including additional Relevant evidence received during the review of evidence. Any Relevant documentary or other tangible evidence provided by the Parties or witnesses, or otherwise gathered by the Investigator will be attached to the final investigation report as exhibits. The final investigation report shall be sent to the Parties and their respective advisors, if any, in electronic format (which may include use of a file sharing platform that restricts the Parties and any Advisors from downloading or copying the evidence) or hard copy. The Parties and their advisors will be provided 10 Working Days to review and provide a written response to the final investigation report

Timeframe

Absent a determination of good cause made by the investigator or Title IX Coordinator (of which the Parties will receive written notice): (i) the investigation should be concluded within 100 Working Days from the date that the notice of allegations is provided to the Parties; and (ii) the final investigation report should be completed and provided to the Parties within 10 Working Days after the review of evidence has concluded. Extensions may be granted for good cause as determined by the Title IX Coordinator. The Parties will receive written notice from the Title IX Coordinator or designee if an extension is necessary and why. The notice will indicate if the extension alters the timeframes for the major stages of the Formal Complaint process.

Within 10 Working Days after the Parties have been provided the final investigation report, the Parties will be informed of the timelines that will apply to the pre-hearing and hearing processes described below. The Parties will be required to provide the name and contact information for their hearing advisor within 5 Working Days after notice of the hearing timeline.

Track 1 Hearing

The Parties will be given written notice of the date, time, location, participants, and purpose of the hearing, as well as the identity of the hearing officer. Notification of the hearing will be sent to the designated CSU campus email address, unless the recipient has specifically requested in writing to the hearing coordinator that notice be given to a different email address. Communications from the hearing coordinator will be deemed received on the date sent. The hearing will not be set sooner than 20 Working Days after the date of notice of hearing. Any objections to an appointed hearing officer must be made in writing to the hearing Coordinator within 5 Working Days after notice of the identity of the hearing officer has been communicated to the Parties.

No later than 15 Working Days before the hearing, each Party may provide to the hearing coordinator a proposed witness list that includes the names of, and current contact information for, that Party's proposed witnesses as well as an explanation of the relevance of each proposed witness's testimony and the disputed issue to which the witness's testimony relates. The hearing officer may also identify witnesses from the final investigation report.

No later than 10 Working Days before the hearing, the hearing coordinator will share a final witness list with the Parties, and notify each witness of the date, time, and location of the hearing. Witnesses will be directed to attend the hearing and to promptly direct any questions or concerns about their attendance at the hearing to the hearing coordinator.

No later than 5 Working Days prior to the hearing, the Parties may submit a list of proposed questions to the hearing coordinator. The questions will be provided to the hearing officer. Parties are strongly encouraged to provide questions in advance of the hearing in order to streamline the hearing process and provide the hearing officer an opportunity to resolve relevancy concerns prior to the hearing. The proposed questions will not be shared with the other Party.

The hearing will begin with an overview of the hearing process given by the hearing officer, after which the Parties will be given an opportunity to ask questions about the hearing process. Each Party will be given an opportunity to make an opening statement that may not last longer than 10 minutes. Only the Parties themselves will be permitted to make opening statements. The hearing advisor and any advisor are not permitted to make the opening statement. The advisor may not speak during the hearing. Closing arguments will not be made.

Generally, the hearing officer will start the questioning of witnesses and Parties. The Investigator or the Title IX Coordinator (if not the Investigator) will be the first witness and will describe the Formal Complaint, investigation process, and summarize the evidence. Hearing advisors will be permitted to ask Relevant questions once the hearing officer has concluded their questioning of the other Party and each witness. The hearing officer may ask questions of any Party or witness who participates in the hearing.

Determination Regarding Responsibility Under Track 1

After the hearing, the hearing officer will make written findings of fact and conclusions about whether the Respondent violated the Policy with respect to the definition of Sexual Harassment⁸. The hearing coordinator will Simultaneously send the hearing officer's report promptly to the Parties, the Title IX Coordinator, and the appropriate campus administrator, usually within 15 Working Days of the close of the hearing.

If no violation of the Policy is found, the president (or designee) will be notified along with the Parties. The notification will include the outcome of the hearing, a copy of the hearing officer's report (redacted as appropriate or as otherwise required by law) and notice of the Complainant's and Respondent's right to appeal to the Chancellor's Office.

If a violation of the Policy is found, within 5 Working Days of receiving such finding the Parties may submit to the hearing coordinator an impact statement or other statement regarding discipline that is no more than 2000 words in length. The document is an opportunity for the Parties to suggest disciplinary outcomes and to provide information that they believe is important for the hearing officer to consider. The student conduct administrator and/or appropriate campus administrator responsible for discipline and Title IX Coordinator may also submit a written statement regarding aggravating and mitigating factors that

⁸ See definition of Sexual Harassment in the CSU Policy Prohibiting Discrimination, Harassment, Sexual Misconduct, Sexual Exploitation, Dating Violence, Domestic Violence, Stalking, and Retaliation

provides a recommendation regarding the disciplinary outcome, including information regarding prior disciplinary outcomes for similar conduct and whether the Respondent was previously found to have violated university policy.

Within 5 Working Days after receiving and considering any impact or other statements submitted by the Parties and other statements described above, the hearing officer will submit the hearing officer's report to the president (or designee). The hearing officer's report will be amended to include a statement of, and rationale for, any recommended disciplinary sanctions to be imposed on the Respondent ("final hearing officer's report"). The final hearing officer's report will attach the final investigation report.

In cases where the hearing officer has found a violation of the Policy, the president (or designee) will review the final investigation report and the final hearing officer's report and issue a decision ("decision letter") concerning the appropriate sanction or discipline within 10 Working Days of receipt of the final hearing officer's report.

The president (or designee) will simultaneously send the decision letter electronically to the Respondent and Complainant at the campus-assigned or other primary email address linked to their campus accounts.⁹ The decision letter will include:

- The outcome of the hearing, including any sanction imposed, and the name of the Respondent(s).
- Information regarding the procedures and permissible bases for the Complainant and Respondent to appeal to the Chancellor's Office.
- If a finding of responsibility is made against the Respondent, a statement as to whether Remedies will be provided to the Complainant that are designed to restore or preserve equal access to the campus's education program or activity. The specifics of any such Remedies may be discussed separately between the Complainant and the Title IX Coordinator and need not be included in the decision letter.
- A copy of the final hearing officer's report will be attached to the decision letter, redacted as appropriate or as otherwise required by law.

Investigation and Hearing (if applicable) for Tracks 2 and 3

At the onset of the investigation, the Title IX Coordinator/DHR Administrator will simultaneously provide both Parties a notice of investigation.

In the notice of investigation, the Title IX Coordinator/DHR Administrator will schedule an initial meeting with the Respondent. At this meeting, the Title IX Coordinator/DHR Administrator will explain the allegations against the Respondent, as well as the investigation process, and the Respondent's rights during the process. The Title IX Coordinator/DHR Administrator will also explain that during the investigation, the Respondent and the Complainant will have the opportunity to present evidence, identify witnesses, and review evidence.

During the investigation, the Investigator will take reasonable steps to gather all relevant evidence from the Parties, other witnesses, or other sources. The Investigator will document the steps taken to gather evidence, even when those efforts are not successful. Before finalizing the investigation, the Investigator will share with the Complainant and Respondent a preliminary investigation report, along with all relevant evidence gathered. Each Party will be given a reasonable opportunity to respond to the preliminary investigation report and any attached evidence and ask questions.

⁹ Communication with Parties who are neither Students nor Employees will be sent to an email address that they designate.

In matters where a hearing is not required (Track 3 cases)¹⁰, a final investigation report will be provided to the Parties along with a notice of investigation outcome. The final investigation report will include a summary of the allegations, the investigation process, the Preponderance of the Evidence standard, a detailed description of the evidence considered, analysis of the evidence including relevant credibility evaluations, and appropriate findings. Relevant exhibits and documents will be attached to the written report. The final investigation report will be attached to a notice of investigation outcome. The notice may be delivered to the Parties electronically. If the notice includes a determination that the Policy was violated, the Title IX Coordinator/DHR Administrator will notify the campus student conduct administrator (where the Respondent is a student)/appropriate campus administrator (where the Respondent is an employee) of the investigation outcome and provide a copy of the final investigation report.

The Title IX Coordinator/DHR Administrator or designee will send the Final Investigation Report to the Parties within 100 Working Days from the date that the Notice of Investigation is provided to the Parties. Extensions may be granted for good cause as determined by the Title IX Coordinator/DHR Administrator. The Parties will receive written notice from the Title IX Coordinator/DHR Administrator or designee if an extension is necessary and why. The notice will indicate if the extension alters the timeframes for the major stages of the Complaint process.

Any communications relating to the outcome of an investigation or hearing, including any changes to the outcome or when the outcome becomes final, will be provided in writing simultaneously to the Complainant and the Respondent.

Track 2 Hearing process:

As stated above in the explanation of Track 2, a hearing will be required (unless the case is resolved by way of Informal Resolution). Below are the steps, decision-makers, and anticipated timelines for a Track 2 hearing process that commences after the issuance of the final Investigative report.

Prior to a hearing:

Parties will be given written notice of the date, time, location, and purpose of the hearing as well as the identity of the hearing officer. The Parties will be sent a notice of the hearing at least 20 Working Days before the hearing. Objections to an appointed hearing officer will be made in writing to the hearing coordinator no later than 5 Working Days after notice of hearing has been sent to the Parties.

No later than 15 Working Days before the hearing, each Party will provide to the hearing coordinator a proposed witness list that includes the names of, and current contact information for, that Party's proposed witnesses as well as an explanation of the relevance of each proposed witness' testimony. The hearing officer may also identify witnesses from the Final Investigation Report.

Where there is more than one Respondent or Complainant in connection with a single occurrence or related multiple occurrences, the hearing officer and the Parties may agree to a single hearing. A Party may request consolidation with other cases, or the Title IX Coordinator, may initiate the consolidation (subject to FERPA and other applicable privacy laws). Request for consolidation will be made no later than 15 Working Days before the hearing. The hearing officer makes consolidation decisions.

Parties must provide the name of, and contact information for, the Party's Advisor and Support Person (if

¹⁰ Under Track 2, the process will proceed to a hearing, as outlined below, and the final investigation report will include all of the information included in the preliminary investigation report as well as additional relevant evidence received during the review of evidence. Any relevant evidence provided by the Parties or witnesses, or otherwise gathered by the Investigator, will be attached to the final investigation report, or made available for review by the Parties. Evidence offered by the Parties or any other witnesses that the Investigator concluded is not relevant will be noted but not included in the final investigation report and should be available at the time of the hearing such that it can be provided to the hearing officer if requested.

any) to the hearing coordinator 15 Working Days before the hearing.

No later than 10 Working Days before the hearing, the hearing coordinator will share a final witness list with the Parties, and notify each witness of the date, time, and location of the hearing. Witnesses will be instructed to attend the hearing and to promptly direct any questions or concerns about their attendance at the hearing to the hearing coordinator. No later than 5 Working Days before the hearing, the Parties will submit to the hearing coordinator any objections to, or questions about, the witness list.

At the hearing:

Each Party will be given an opportunity to make an opening statement that will last no longer than 10 minutes. The Parties will not make closing statements. An opening statement is intended to give the Parties the opportunity to share their perspective regarding the facts and discuss the core disputes in the investigation. It should focus on the facts of the matter and not be argumentative.

Parties will have the opportunity to submit written questions to the hearing officer in advance of the hearing. The Parties may also submit written follow-up questions to the hearing officer during the hearing, at appropriate times designated by the hearing officer. The hearing officer will ask the questions proposed by the Parties except for questions that:

1. Seek information about the Complainant's sexual history with anyone other than the Respondent (unless such evidence about the Complainant's sexual behavior is offered to prove that someone other than the Respondent committed the alleged misconduct).
2. Seek information about the Respondent's sexual history with anyone other than the Complainant, unless such information is used to prove motive or pattern of conduct.
3. Seek information that is unreasonably duplicative of evidence in the hearing officer's possession.
4. The hearing officer determines are not relevant to material disputed issues, are argumentative or harassing or unduly intrude on a witness' privacy.

At the hearing, each Party will have an opportunity to ask questions, submit concerns, or note an objection to questions posed. All such questions, concerns, or objections will be submitted in writing to the hearing officer. The hearing officer is not required to respond to an objection, other than to include it in the record.

The hearing officer has the authority and duty to decline or rephrase any question that the hearing officer deems to be repetitive, irrelevant, or harassing. Formal rules of evidence applied in courtroom proceedings (e.g., California Evidence Code) do not apply in the hearing. However, the hearing officer may take guidance from the formal rules of evidence.

After the hearing:

After the hearing, the hearing officer will make written findings of facts and conclusions about whether the Respondent violated the Policy. The Title IX Coordinator will review the hearing officer's report to ensure compliance with the Policy. The hearing coordinator will forward the hearing officer's report promptly to the Parties, the Title IX Coordinator, and the student conduct administrator, usually within 15 Working Days of the close of the hearing.

If no violation is found, the hearing coordinator will notify the Parties of their appeal rights. The campus president (or designee) will also be notified.

If a violation is found, the Parties may submit to the hearing coordinator an impact statement or other statement regarding discipline. The statement may not be more than 2000 words in length and will be

submitted no later than 5 Working Days after the hearing officer's report is sent to the Parties. The statement is an opportunity for the Parties to suggest disciplinary outcomes and to provide information that they believe is important for the hearing officer to consider. The student conduct administrator and the Title IX Coordinator may also submit a written statement regarding aggravating and mitigating factors no later than 5 Working Days after the hearing officer's report is sent to the Parties.

Within 5 Working Days after receiving and considering the statements described above, the hearing officer will submit the hearing officer's report to the president (or designee), including recommended sanctions (as defined in Executive Order 1098 Student Conduct Procedures¹¹) if a Respondent has been determined to have violated university Policy.

Within 10 Working Days of receipt of the hearing officer's report, the president (or designee) will review the Investigation Report and the hearing officer's report and issue a decision concerning the appropriate sanction. The president may impose the recommended sanctions, adopt a different sanction or sanctions, or reject sanctions altogether. If the president adopts a sanction other than what is recommended by the hearing officer, the president must set forth the reasons in the Decision Letter. The president will simultaneously send the decision letter electronically to the Respondent and Complainant. The decision will also be sent to the student conduct administrator and the hearing officer. Unless the campus and Parties are notified that an appeal has been filed, the president's (or designee's) sanction decision becomes final 11 Working Days after the date of the decision letter.

Sanctions

Discipline for Employees includes, but is not limited to, suspension, demotion, and termination of employment.

Employees discipline by the university may be entitled to additional processes as required by law and/or collective bargaining agreements, including in some cases the right to a hearing before an independent arbitrator or a state agency where the employee may contest the discipline.

The following sanctions may be imposed for violation of the Student Conduct Code:¹²

- **Restitution.** Compensation for loss, damages or injury. This may include appropriate service and/or monetary material replacement.
- **Loss of Financial Aid.** Scholarships, loans, grants, fellowships and any other types of state financial aid given or guaranteed for the purposes of academic assistance can be conditioned, limited, canceled or denied.⁸
- **Educational and Remedial Sanctions.** Assignments, such as work, research, essays, service to the University or the community, training, counseling, removal from participation in recognized student clubs and organizations (e.g., fraternities and sororities), and/or University events, or other remedies intended to discourage similar misconduct or as deemed appropriate based upon the nature of the violation.
- **Denial of Access to Campus or Persons.** A designated period of time during which the Student is not permitted: (i) on University Property or specified areas of Campus,² or (ii) to have contact (physical or otherwise) with the Complainant, witnesses or other specified persons.
- **Disciplinary Probation.** A designated period of time during which privileges of continuing in Student status are conditioned upon future behavior. Conditions may include the

¹¹ See Sanctions, below

¹² Found in Article V, Executive Order 1098 Student Conduct Procedures

potential loss of specified privileges to which a current Student would otherwise be entitled, or the probability of more severe disciplinary sanctions if the student is found to violate the Student Conduct Code or any University policy during the probationary period.

- **Suspension.** Temporary separation of the student from active Student status or Student status.
 - A Student who is suspended for less than one academic year shall be placed on inactive Student (or equivalent) status (subject to individual Campus policies) and remains eligible to re-enroll at the University (subject to individual Campus enrollment policies) once the suspension has been served. Conditions for re-enrollment may be specified.
 - A Student who is suspended for one academic year or more shall be separated from Student status but remains eligible to reapply to the University (subject to individual Campus application policies) once the suspension has been served. Conditions for readmission may be specified.
 - Suspension of one academic year or more, withdrawals in lieu of suspension, and withdrawals with pending misconduct investigations or disciplinary proceedings shall be entered on the student's transcript permanently without exception; this requirement shall not be waived in connection with a resolution agreement.
- **Expulsion.** Permanent separation of the Student from Student status from the California State University system. Expulsion, withdrawal in lieu of expulsion, and withdrawal with pending misconduct investigation or disciplinary proceeding shall be entered on the student's transcript permanently, without exception; this requirement shall not be waived in connection with a resolution agreement.

Appeals

A written appeal may be submitted to the Chancellor's Office no later than 10 Working Days after the date of the decision letter (Track 2) or notice of investigation outcome (Track 3). All arguments and/or evidence supporting the appeal must be submitted by the deadline to file the appeal. Evidence/arguments submitted after the appeal submission deadline will not be considered by the Chancellor's Office. A written appeal may not exceed 3,500 words, excluding exhibits. Appeals will be submitted to:

Equal Opportunity and Whistleblower Compliance Unit

Systemwide Human Resources

Office of the Chancellor

401 Golden Shore

Long Beach, California 90802

eo-wbappeals@calstate.edu

The Chancellor's Office will provide prompt written acknowledgement of the receipt of the appeal to the appealing Party, and will provide written notification of the appeal, including a copy of the appeal, to the non-appealing Party and the campus Title IX Coordinator/DHR Administrator. The notice will include the right of the non-appealing Party and the campus to provide a response to the appeal within 10 Working Days of the date of the notice. The appeal response will be limited to 3,500 words, excluding exhibits.

Any response to the appeal received by the Chancellor's Office will be provided to the appealing Party for informational purposes only.

The Chancellor's Office will not conduct a new investigation; however, the Chancellor's Office may make reasonable inquiries to determine if the new evidence could have affected the investigation or hearing determination. On appeal, the Chancellor's Office does not reweigh the evidence, re-decide conflicts in the evidence, or revisit determinations made by the Investigator or hearing officer about the credibility or reliability of witnesses and the Parties. The Chancellor's Office appeal response will include a summary of the issues raised on appeal, a summary of the evidence considered, the Preponderance of the Evidence standard, and the determination(s) reached regarding the issue(s) identified within the written appeal. A copy of the final Chancellor's Office appeal response will be forwarded to the Complainant, the Respondent, and the Title IX Coordinator/DHR Administrator.

If the Chancellor's Office review determines that an issue raised on appeal would have affected the investigation outcome or hearing outcome, the investigation or hearing will be remanded back to the campus and the investigation or hearing reopened at the campus level. The Chancellor's Office will return the matter to the campus and will specify in writing the timeline by which a reopened investigation or hearing must be completed. The Chancellor's Office will notify the Parties of the reopening of the investigation or hearing and the timeline for completion of the reopened investigation or hearing. The campus will complete the reopened investigation or hearing and provide the Chancellor's Office with an amended final investigation report/final decision. The campus will also provide the Parties with amended notices of investigation outcome/final decision, and such notices will provide the non-prevailing Party the opportunity to appeal. Upon receipt of the amended final investigation report/final decision, if the outcome remains unchanged, the Chancellor's Office will contact the original appealing Party to determine whether that Party wishes to continue with the appeal. If the outcome is reversed by the campus, the non-prevailing Party will be given an opportunity to appeal.

If the Chancellor's Office determines that no reasonable fact finder (Investigator or hearing officer) could have made the findings as determined by the Investigator or hearing officer, the Chancellor's Office may vacate and reverse the investigation or hearing outcome, but only with respect to whether the Policy was violated (and not with respect to factual findings). If the Chancellor's Office vacates and reverses the investigation or hearing outcome, it will notify the Parties simultaneously in writing, as well as the Title IX Coordinator/DHR Administrator. Following a reversal of an investigation or hearing outcome by the Chancellor's Office, the Chancellor's Office decision is final and is not subject to further appeal. In the event that the final outcome has been reversed by the Chancellor's Office and a sanction will be imposed by the campus, both Parties have a right to appeal the sanction only. If a sanction is found to be objectively unreasonable, or arbitrary based on substantiated conduct, the matter will be sent back to the campus for reconsideration of the sanction.

The Chancellor's Office will respond to the appealing Party no later than 30 Working Days after receipt of the written appeal unless the timeline has been extended¹³

REGISTERED SEX OFFENDERS

California's sex offender registration laws require convicted sex offenders to register their status with the University police department if they are enrolled, residing, attending, carrying on a vocation (i.e., contractor or vendor on campus for more than 30 days in the year), or working with or without

¹³ The Chancellor's Office has discretion to extend the timelines for the appeal process for good cause or for any reasons deemed to be legitimate by the Chancellor's Office. This includes the time for filing an appeal, the time for a reopened investigation or hearing to be completed, and the time for the Chancellor's Office to respond to the appeal. The Chancellor's Office will notify the Parties and the Title IX Coordinator of any extensions of time granted pertaining to any portion of the appeal process.

MISSING PERSONS REPORTING

In the event of a missing student, individuals are to immediately contact UPD or any University faculty or staff who will in turn contact the UPD.

POLICY ON MISSING STUDENTS IN RESIDENTIAL FACILITIES

Each student living on-campus has the option to register a confidential contact person to be notified in the event that the student is determined to be missing. Only authorized campus officials and law enforcement persons, in furtherance of a missing person investigation, may have access to this information. In the event of a missing student, the local law enforcement will be notified and any official reports obtained by Housing officials will be forwarded to UPD. Furthermore, any missing persons under the age of 18 that are not emancipated will have their parent or guardian notified as well. In addition, regardless of whether a student has identified a contact person, is above the age of 18, or is an emancipated minor, the local law enforcement that has jurisdiction in the area that the student is missing, will be immediately notified.

INITIAL RESPONSES AND FOLLOW-UP TO A MISSING PERSON'S REPORT

- Accept any report of a missing person without delay, regardless of jurisdiction.
- Accept any report of a runaway juvenile without delay.
- Accept reports of missing persons by telephone.
- Assign priority to missing persons reports over non-emergency property crimes.
- To determine if that person might be at risk, make an immediate assessment of reasonable stops to be taken to locate, based on the type of missing person, as defined in 14213(a) PC.
- Broadcast a "Be on the look-out" to all Public Safety units without delay, when a child is under the age of 12 or the person missing is considered at-risk.
- Provide the reporting party with Department of Justice (DOJ) form SS 8567, which authorizes the release of dental records and/or x-rays, skeletal x-rays, and/or photographs.

HOW TO REPORT A MISSING PERSONS

APPENDIX A: JURISDICTIONAL DEFINITIONS

Rape (CA Penal Code, Chapter 1, Section 261)

(a) Rape is an act of sexual intercourse accomplished under any of the following circumstances:

(1) If a person who is not the spouse of the person committing the act is incapable, because of a mental disorder or developmental or physical disability, of giving legal consent, and this is known or reasonably should be known to the person committing the act. Notwithstanding the existence of a conservatorship pursuant to the provisions of the Lanterman-Petris-Short Act (Part 1 (commencing with Section 5000) of Division 5 of the Welfare and Institutions Code), the prosecuting attorney shall prove, as an element of the crime, that a mental disorder or developmental or physical disability rendered the alleged victim incapable of giving consent. This paragraph does not preclude the prosecution of a spouse committing the act from being prosecuted under any other paragraph of this subdivision or any other law.

(2) If it is accomplished against a person's will by means of force, violence, duress, menace, or fear of immediate and unlawful bodily injury on the person or another.

(3) If a person is prevented from resisting by any intoxicating or anesthetic substance, or any controlled substance, and this condition was known, or reasonably should have been known by the accused.

(4) If a person is at the time unconscious of the nature of the act, and this is known to the accused. As used in this paragraph, "unconscious of the nature of the act" means incapable of resisting because the victim meets any one of the following conditions:

(A) Was unconscious or asleep.

(B) Was not aware, knowing, perceiving, or cognizant that the act occurred.

(C) Was not aware, knowing, perceiving, or cognizant of the essential characteristics of the act due to the perpetrator's fraud in fact.

(D) Was not aware, knowing, perceiving, or cognizant of the essential characteristics of the act due to the perpetrator's fraudulent representation that the sexual penetration served a professional purpose when it served no professional purpose.

(5) If a person submits under the belief that the person committing the act is someone known to the victim other than the accused, and this belief is induced by artifice, pretense, or concealment practiced by the accused, with intent to induce the belief.

(6) If the act is accomplished against the victim's will by threatening to retaliate in the future against the victim or any other person, and there is a reasonable possibility that the perpetrator will execute the threat. As used in this paragraph, "threatening to retaliate" means a threat to kidnap or falsely imprison, or to inflict extreme pain, serious bodily injury, or death.

(7) Where the act is accomplished against the victim's will by threatening to use the authority of a public official to incarcerate, arrest, or deport the victim or another, and the victim has a reasonable belief that the perpetrator is a public official.
