

Student Success Fee

Funding Allocation Summary

Fiscal Year 2016-17

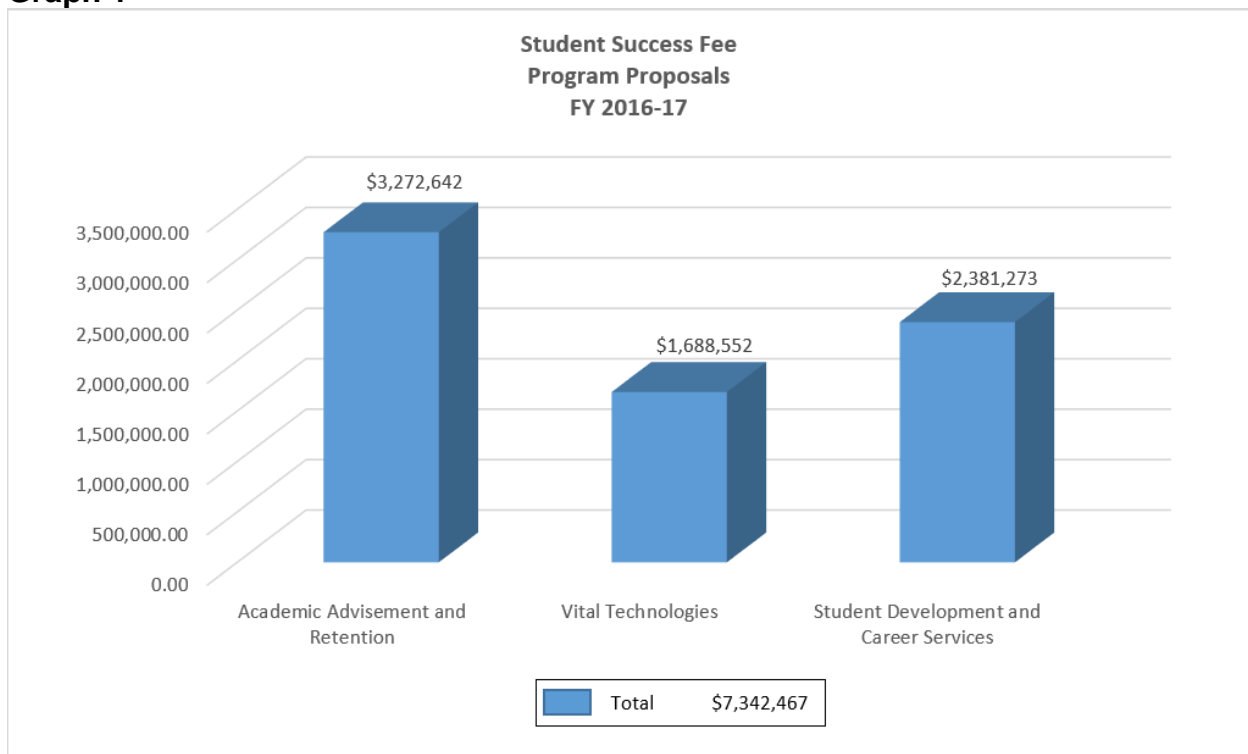

The Cal State L.A. Student Success Fee (SSF) provides supplemental academic advising and retention services, increased student development opportunities, career programs, and expanded student access to vital infrastructure and applications technologies. The three priorities for this fee are: Academic Advisement and Retention, Student Development and Career Services, and Vital Technologies.

In FY 2016-17, over \$7.3 million were allocated (see Graph 1) to provide the following services:

Pathways to Student Success Workshops, Advisement Institute/Training Academy, 2 Day Freshman Orientation, Animation Tech Assistant Services, Sexual Assault Victims Advocacy, Citrix Technical Relationship Management, Wi-Fi Coverage for Outdoor Spaces, Identity Management Systems, and New Active Learning Study Rooms. Mentoring and Tutoring Support, Extended Library Hours, Community Based Learning, Professional Development for Graduate Students, Engagement of Students in Research, Scholarship, and Creative Activities.

Graph 1

Academic Advisement and Retention

Academic Affairs continues to provide critical academic advisement to assist students in understanding and adhering to University policies and procedures that may directly or indirectly impact their ability to make progress toward degree completion, student scholarship coordination, and graduate student completion services. Newly proposed programs include Financial Aid Advising Coordinator, Financial Aid Advisor “Dreamer” Specialist, and First Year Experience.
